

SYHS Parent 2 Parent Newsletter

February 2012

Message from Principal Swanitz

Over the past fourteen months or so, the Santa Ynez High School faculty and staff have been meeting to conduct an in-depth self-study of our school as part of the process of accreditation by WASC, the Western Association of Schools and Colleges (www.acswasc.org). David Brown, the executive director of WASC, states that "...accreditation [is] a process designed to strengthen schools in the delivery of quality educational programs. Accreditation is important to schools as it impacts students' access to colleges and universities and career opportunities in a variety of ways. An effective WASC self-study review is a powerful tool for schools to improve the quality of education and more effectively serve staff and students." In this spirit, the faculty divided into five multidisciplinary focus groups around the following topics: organization, curriculum, instruction, assessment and accountability, and school culture and student support. Each focus group carefully gathered and analyzed relevant data, examined our current conditions, evaluated our progress since our last accreditation in 2006, and made recommendations to help chart our course for the next several years. Just before winter break, administrators, focus group chairs, and our WASC coordinator met to develop an action plan rooted in the reports from the five focus groups. This action plan was carefully crafted to align with the District Strategic Plan, our Single Plan for Student Achievement, and the Local Education Area Plan. The plan will guide our school improvement efforts in the coming years. At the end of this month, a committee of educators from around the state will gather at SYHS to conduct a visit, the goal of which is to confirm the veracity of our self-study, endorse our action plan, and determine the period of our accreditation. Over the course of three days, the visiting committee will be visiting classrooms; meeting with groups of students, parents, teachers, and classified staff; and reviewing documentation. Our report highlights our school's many successes but also identifies very specific areas for growth. If you would like to read our final report, it is available on our website at www.syvpirates.org. We are confident that our self-study reflects an honest assessment of our school and that we will make a favorable impression on the committee. We hope that if you are asked to sit on one of the panels, you will give your honest impressions of our school.

We have successfully closed the books on the first semester of 2011-12, and by now you have received your student's semester grade report. If anything seems amiss or causes you concern, please be sure to contact the teacher or your student's guidance counselor. There is still time to make course corrections for the second semester if necessary. If your son or daughter has strong marks, encourage him or her to apply for membership in the California Scholarship Federation (CSF). CSF is an honors organization for high school students in grades 10-12. Membership is not automatic, and students must apply after each semester of high school. Applications are available in Student Services and in Mrs. Stotler's room, P-19. Please note that the completed application, \$3.00 dues payment, and a copy of this semester's report card must be turned in to Mrs. Stotler no later than Thursday, February 16 by 3:00 PM to be considered.

Tuesday and Wednesday, February 7 and 8 are important days in the academic lives of our 10th-graders. On those days, *all sophomores will take the California High School Exit Exam (CAHSEE) for the first time* during the Sophomore Census administration of the exam. The CAHSEE tests skills essential for life after high school and helps teachers, guidance counselors, and administrators to identify students who need additional intervention and support to develop these skills. As described by California Department of Education, "The CAHSEE has two parts: English-language arts (ELA) and mathematics. The ELA part addresses state content standards through grade ten. In reading, this includes vocabulary, decoding, comprehension, and analysis of information and literary texts. In writing, this covers writing strategies, applications, and the conventions of English (e.g. grammar, spelling, and punctuation). The mathematics part of the CAHSEE addresses state standards in grades six and seven and Algebra I. The exam includes statistics, data analysis and probability, number sense, measurement and geometry, mathematical reasoning, and algebra. Students are also asked to demonstrate a strong foundation in computation and arithmetic, including working with decimals, fractions, and percents" (<http://www.cde.ca.gov/ta/tg/hs/overview.asp>). We will administer the English-language arts section of the exam on February 7, and students will be tested in mathematics on February 8. *Please note*

Continued from Page 1

that taking the CAHSEE on these dates is mandatory for all sophomores. Sophomores should plan to get a good night's sleep the night before and eat a healthy breakfast the morning of these important tests. Remember that sophomores never need to re-take any part of the CAHSEE that they pass during this initial administration. For many of our sophomores, this means that February 7 and 8 are the only days they will have to sit for the exam. For those who fail to pass one or more sections, however, taking the test as sophomores gives us two full years to ensure that these students receive the necessary remediation to successfully pass in the future. The CAHSEE is not only a high-stakes exam for students but for the school as well. Our Adequate Yearly Progress (AYP) status under No Child Left Behind (NCLB) is determined by the results of the tests administered to sophomores on these dates. Please help us to encourage students to demonstrate their Pirate Pride by doing their absolute best to demonstrate proficiency in English and math by their performance on this exam. If sufficient numbers are able to do so, we will take the first step towards clearing SYVUHS's Program Improvement (PI) status under the federal accountability system. Good luck sophomores!

The CAHSEE is not the only important test on the horizon. The advent of the second semester also portends the coming of California's Standardized Testing and Reporting (STAR), which is given each spring. During the last two weeks of April and the first two weeks of May, freshmen, sophomores, and juniors will take standards-based tests in English-language arts, mathematics, science, and social science. These tests are directly correlated to the California State Standards teachers use to develop their curricula. The results of the test are critically important to teachers as they assess student progress and develop and implement new pedagogy, curriculum, and assessment methodologies. Students will take these tests with their regular English, math, science, and social science teachers. Our students' performing well on all of our high-stakes tests is critical to maintaining SYHS's excellent reputation and our high Academic Performance Index (API) under the state accountability system. I will be using part of my column in upcoming editions of the Parent 2 Parent Newsletter to further discuss STAR testing and its importance.

This month, our students are celebrating winter homecoming. The theme this year is *Snowcoming*. Beginning Monday, February 6, students will participate in dress-up days and lunchtime activities all week. Dress-up days include "Flannel Day" on Monday, "Twin Day" on Tuesday, "Fake an Injury Day" on Wednesday, "Snow Day" on Thursday, and "Pirate Pride Day" on Friday. In a special assembly on Thursday morning, the student body will be presented with the 2012 Winter Homecoming Court. Congratulations to the following princes who have been nominated: Clay Adam, Lee Jensen, Chase LaMarche, Luke Lastra, Cass Lykken, Joey Norcia, Abe Santos, and Fernando Uribe. The 2012 Homecoming King will be crowned at half time of Friday night's basketball game against the Cabrillo Conquistadors. The dance will be held on Saturday night, February 11, from 7:00-11:00 PM at the Buellton Marriott. Tickets will not be sold at the door; to buy a ticket in advance, students must present a completed, signed dance packet. Packets are available in room B-1 from Mr. Bisbee. Please remember that even though this dance is held off campus, it is still a school event, and students are accountable to all school rules.

Finally, don't forget that there will be no school on Friday, February 17, in honor of President Lincoln's birthday or on Monday, February 20 in recognition of President's Day.

SYHS Academic School Calendar 2012-13

School Starts on Aug 15, 2012

During the Jan. 17 board meeting, the SYVUHSD Board of Education adopted a new academic calendar for the 2012 - 2013 school year. The new calendar will allow students to complete their first semester final exams before the Christmas/New Year's holiday break, giving them a well-deserved rest before renewing their studies in the 2nd Semester.

The new calendar also takes into account lost instructional days every spring due to mandatory state testing. The Board of Education was appreciative of the faculty's student-centered suggestions.

PTSA—NOMINATIONS FOR 2012-13

WE ARE TAKING NOMINATIONS FOR PTSA BOARD ELECTIONS IN APRIL.
THE BOARD TERM IS JULY 1—JUN 30.

THE NEXT MEETING IS FEBRUARY 13TH AT 6:00 PM IN THE BOARDROOM

FAFSA WORKSHOP

FAFSA Workshop Night—

Thursday, February 9, 2012

from 5:00 to 8:00 p.m.

For more information,

go to [FAFSA](#)

Theater:

Fall Production

“Midsummer Night’s Dream”

Thu-Sat April 26-28 & May 3-5 at

7:00pm, Little Theater

NOTE: These dates are new. The play was moved up to accommodate Prom on May 12.

Teacher / Staff Appreciation Lunch

Wednesday May 23 at 11:30 am Old Gym

Need a Chairperson for this event! PTSA supplies sandwiches from El Rancho, drinks (water, tea, lemonade), paper goods. Parents bring side dishes and desserts. Jacque can send the email out with the info, but, she'll be on the east coast with her son's 8th grade class the week of the event. Please email Jacque@impulse.net if you can help.

Host Families Needed!

I am still looking for families that would like to host Danish students!

- The students arrive early August 2012 and will stay until Christmas break.
- They will be between 15 and 17 years old and pay \$425 each month.
- Host families need to provide separate bedroom for each student.

It is a great experience for the families, I have done several myself.

Please contact: Jutta Aichinger, Solvang, 686-9089 jutta_aichinger@yahoo.com

NEWS – FROM THE GUIDANCE OFFICE

FINANCIAL AID DEADLINES FOR SENIORS

FAFSA Deadline approaching
Students must check the deadline for each college they've applied to. Many private schools have a February deadline.
The deadline to submit the FAFSA and be eligible for Cal Grants is March 2. Here's the FAFSA website: <http://www.fafsa.ed.gov/>
Cal Grant GPA Verification Forms must be return completed to the SYHS Guidance Office no later than February 29.

FAFSA WORKSHOP AT SYHS FEBRUARY 9

The Free Application for Federal Student Aid (FAFSA) deadline is coming up. Parents and students can get assistance completing the form on Thursday, February 9, from 5:00 to 8:00 p.m. in the SYHS Library. To complete the FAFSA, parents and students will need 2011 tax information. If taxes haven't been filed yet, bring W2's and 2010 tax information.

2012-2013 SCHOOL YEAR REGISTRATION AROUND THE CORNER

Registration information for the 2012-2013 school year will be mailed in early March. Details will be included in the mailing.

FRESHMEN PARENT MEETING FEBRUARY 22

The Freshmen Parent meeting, for parents of current freshmen, will be held February 22. More information will be mailed home soon.

ADVANCED PLACEMENT EXAM SIGN-UPS UNDERWAY

Students planning to take one or more AP Exams in May must register to take the exams. Information has been mailed home. The cost for each exam is \$95 and payment is made in the SYHS Business Office at break or at lunch. The deadline to pay is March 23. A late fee of \$50 per exam will apply after that. Checks are made payable to SYHS. For more information, check the *Guidance* page on the SYHS website: www.syvipirates.org.

SAT PREP COURSE AT SYHS MARCH 3 AND 4

Students have a chance to prepare for spring SAT testing with a prep course March 3rd and 4th. The cost is \$165 and the deadline to register is February 29. Information will be mailed out or you can visit the website: www.CatalystPrep.com (click on Bootcamp sign-up). You can also email: info@CatalystPrep.com or call 800-235-0056.

PARENTING WORKSHOP AT SYHS MARCH 6, 13 & 20 – “THE LOVE LANGUAGES OF CHILDREN”

A wonderful opportunity for parents in the valley to better understand their children's needs and ensure success in school and life. The three evening sessions will be from 6:30 – 8:00 p.m.

Information will be mailed out. You can also find the flyer on the SYHS Guidance page or contact Danielle Lageman at dlage-man@syvuhsd.org or 688-6487 ext. 3211.

February Daily Specials

California Scholarship Federation

California Scholarship Federation (CSF) is an honors organization for high school students in grades 10 - 12. Membership is not automatic and application must be made each semester. Application forms are available in the student services office and in Mrs. Stotler's room, P-19. The application, \$3.00 dues, and a copy of last semester's report card must be turned in to Mrs. Stotler in P-19 no later than February 16th at 3:00 pm. Please note, the deadline is a Thursday.

Girls JV Water Polo Team went undefeated, going 4-0 in two days to sweep the Arroyo Grande Girls Novice Tournament, Jan. 27-28, 2012.

Under Coach Lisa Boyer, the undefeated Santa Ynez High School Girls JV Water Polo Team took the Tournament Crown, with victories over Arroyo Grande and Cabrillo--two perennial water polo powerhouses--and with wins over Righetti and Atascadero. On Friday, Day One, they beat Righetti, 8-0; and Cabrillo, 11-7. On Saturday, they won a close match over Arroyo Grande, 7-6 and finished the day as undefeated Tournament Winners by beating Atascadero, 6-1.

Per rules of the tournament, no varsity or even top JV players. This was a reduced squad of just our novice players. Congrats to our girls who swam hard and played tough and, of course, big kudos to Coach Lisa Boyer.

NEXT GRAD NITE MEETING

Thursday, March 15th, 2012 in Room C-2 at 7:00 p.m.

SAFE & SOBER GRAD NITE PARTY – FRIDAY, JUNE 8, 2012

Senior parents can help at any time! Thank you to the three co-chairs: Ken Nash, Aaron Petersen and Kim Jensen. Thanks also to the parents who have signed up for a committee. There are many ways to help and much more needed the closer the date gets! Please contact Ken Nash if you have any questions: email: ddsurfer@hotmail.com or phone # (688-5557). If you can't attend meetings, but, would like to be informed you can also contact Jacque Wagstaffe: Jacque@impulse.net.

Thank you!!

Winter Homecoming Info

Homecoming Week Dress-up Days

Congratulations to the 2012 Homecoming Court:

Clay Adam, Lee Jensen, Chase LaMarche, Cass Lykken, Joey Norcia, Abe Santos, Fernando Uribe, Luke Lastra

Pirates Sports and Clubs

Football: Football Boosters next meeting Annual Election of Officers on February 13, 2012 at 6:00pm room EP-2

Music Department:

Dinner Fundraiser on Sat Feb 25, 5pm at Presbyterian Fam Ctr

Booster Meetings 1st Monday of each month at 7pm, Music Room
Contact Mr. Clarno – cclarno@syvuhsd.org

Check out our new [website](#) for more information

Track & Field has started. Anyone who likes to run, Please report to the track after school if you are interested in doing track this year. If you need paperwork or physical papers please see Coach Wallace in p7 ASAP. They are taking uniform orders for new athletes.

Useful Links and Information

Submitted by DeLynn Jacobsen

Hi and Happy February, Pirate Parents!

As our high school kids prepare for their journey into college, employment and adulthood cultural awareness will illuminate their path. In fact, cultural awareness is so hot that many colleges and workplaces require education and training of diverse populations in order to encourage and promote acceptance for a more unified society. But it doesn't start that big. Cultural awareness begins as an invitation to look at our own values and beliefs, how they align with others' and how we react when they don't. Do we have an open mind to look further? Hopefully a little curiosity will ignite self-exploration and then all we have to do is ask.

As my own curiosity takes off, I checked out some pretty cool websites and wanted to share. Here they are!

University Club in SB

The Santa Ynez Valley Youth Coalition Kicks off 2012 Activities

As we enter the New Year, The Valley Youth Coalition is once again reaffirming our mission and goals and establishing our priorities for the coming year. Therefore, we wish to take this opportunity to share with you the Coalition Mission and the strategies we have in place to support youth in healthy lifestyle choices and to empower parents and the community to affect a positive change in the norms surrounding youth substance abuse.

The SYV Youth Coalition, originating in 2005, is an effective collaboration of volunteer community leaders joining together to promote healthy lifestyles and prevent and reducing alcohol and other substance abuse among our youth, as stated in our **Mission Statement**. We focus on advocating for the implementation of research based best practices, policies and prevention programs in order to affect a positive community change.

In October of 2007, the Coalition was awarded a five-year Drug Free Communities grant by the **Substance Abuse and Mental Health Administration**, a division of the Office of National Drug Control Policy. The focus of the grant was on environmental strategies designed to change the norms and conditions of the community that support underage substance use. We are currently applying for the next 5 year funding cycle.

Our **Youth Action Advisory Council** is comprised of High School youth which serve as an advisory board to the Coalition and they work on the school campus's to promote healthy lifestyles among their peers. On-going projects provide opportunities to positively impact their peers and the community in which they live. The Youth Action Council's involvement in a variety of teen and community activities will demonstrate the valuable role youth play in helping to prevent underage substance abuse.

These are just a few of the strategies The Valley Coalition will utilize to reduce underage substance abuse . . .

Collaboration with all segments of the community, i.e. schools, law enforcement, business, organizations, parents, to put systems in place to support youth in healthy lifestyle choices.

Community Presentations: Coalition adult and teen volunteers will be trained to advocate for stronger policies to control environments where substance abuse takes place.

Multi-Media Parent Education Outreach: A multi-media education campaign about preventing alcohol, marijuana and prescription drug abuse using various media outlets including radio, print media, our Web site and Facebook.

School-Based Clubs: Drug-free clubs for 7th and 8th graders will be organized and/or supported.

Life Skills Classes: Botvin's Life Skills curriculum will be taught to 7th and 8th graders at two schools.

Parent Education Classes. Four *Active Parenting* classes will be held in English & Spanish.

New Web Site Launch: To complement our work in Social Media , we are revamping our Website to provide a more robust and comprehensive for information and resources relating to our case.

The Valley Youth Coalition meets quarterly and sub-committees with focused interests meeting on a monthly basis. We welcome all community members and parents to join. Our next quarterly meeting will be March 27th at People Helping People. We welcome your participation, thoughts and suggestions! For further information visit our website at www.syvdrugfree.org or contact Mary Conway, Coalition Coordinator, at 686-0295.

IMPORTANT DATES - 2012

FEBRUARY

- 1 – Music Booster Meeting @ 7:00 Music Room
