

SES: How does a parent obtain a provider for their child?

Students from low-income families at continuing PI schools, whose parents did not select a public school choice option, are eligible for free (SES). These services are classes or tutoring which occur outside the regular school day with educational providers approved by the State Board of Education. If the number of eligible students who apply for the SES program exceeds the financial resources available, the lowest achieving students from low-income families will receive SES first.

There are many benefits to your child(ren) receiving free tutoring.

- He/she receives specific help in English-language arts, math, and/or science.
- The tutoring is provided beyond the regular school day.
- The tutoring is delivered in a one-to-one setting or in small groups.
- A student learning plan will address his/her specific academic needs.
- You, as the parent/guardian, will be consulted in developing your child's learning plan.

If you are interested in SES, please review the attached list of providers willing to serve the district. The list identifies the subject area(s) and any special groups of students a provider is approved to serve.

Please contact Mr. Cris Avery, Intervention Coordinator of Santa Ynez Valley Union High School at cavery@syvuhd.org by November 16, 2012 if you wish to select an approved provider for supplementary services.
