Volunteer assistance in schools enriches the educational program, enhances supervision of students and contributes to school safety while strengthening the schools' relationships with the community. The Board also encourages community members to serve as mentors providing support and motivation to students.

(cf. [5020](#) - Parent Rights and Responsibilities)

(cf. [6020](#) - Parent Involvement)

(cf. [6171](#) - Title I Programs)

The Superintendent or designee shall develop and implement a plan for recruiting, screening and placing volunteers, including strategies for reaching underrepresented groups of parents/guardians and community members. He/she may also recruit community members to serve as mentors and/or make appropriate referrals to community organizations.

(cf. [0420.3](#) - School-Based Student Motivation and Maintenance Program)

(cf. [1020](#) - Youth Services)

(cf. [1400](#) - Relations Between Other Governmental Agencies and the Schools)

The Superintendent or designee shall establish procedures to protect the safety of students and adults. These procedures shall include laws related to tuberculosis testing and may also include laws related to criminal record checks.

Volunteers shall be provided with information about school goals, programs and practices and shall receive an orientation and other training related to their specific responsibilities as appropriate. Employees who supervise volunteers shall ensure that volunteers are assigned meaningful responsibilities that capitalize on their skills and expertise and maximize their contribution to the educational program.

Volunteers shall act in accordance with district policies, regulations and school rules. At their discretion, employees who supervise volunteers may ask any volunteer who violates school rules to leave the campus. Employees also may confer with the principal or designee regarding any such volunteers. The Superintendent or designee shall be responsible for investigating and resolving complaints regarding volunteers.

(cf. [0410](#) - Nondiscrimination in District Programs and Activities)

(cf. [3515.2](#) - Disruptions)

Volunteer maintenance work shall be limited to those projects that do not replace the normal maintenance duties of classified staff. The Board nevertheless encourages volunteers to work on short-term projects to the extent that they enhance the classroom or school, do not significantly increase maintenance workloads and comply with employee commitments and contracts.

Volunteer aides shall not be used to assist certificated staff in performing teaching or administrative responsibilities in place of regularly authorized classified employees who have been laid off. (Education Code [35021](#))

The Board encourages principals to develop a means for recognizing the contributions of each school's volunteers.

The Superintendent or designee shall periodically report to the Board regarding the district's volunteer assistance program.

COMPLAINTS CONCERNING SCHOOL PERSONNEL

In order to promote fair and constructive communication, the following procedures shall govern the resolution of complaints. Every effort should be made to resolve a complaint at the earliest possible stage.

1. Complaints concerning school personnel should be made directly by the complainant to the person against whom the complaint is lodged. Parents/guardians are encouraged to attempt to orally resolve concerns with the staff member personally.
2. If the complaint is not resolved at this level, the complainant may submit the complaint in writing to the school Superintendent/principal or immediate supervisor. When necessary, district administration shall assist in the preparation of the written complaint so as to meet the requirement of this regulation. The administrative staff shall inform the complainant that such assistance is available if he/she is unable to prepare the written complaint without help.

A written complaint must include the name of each employee involved and a brief but specific summary of the complaint and the facts surrounding it. It must also include a specific description of a prior attempt to discuss the complaint with the employee involved and the failure to resolve the matter.

The Superintendent/principal or immediate supervisor is responsible for investigating complaints and will attempt to resolve the complaint to the satisfaction of the person(s) involved. If the complaint is resolved, the Superintendent/principal will so advise all concerned parties.

3. If the complaint remains unresolved after review by the immediate supervisor, a written complaint, together with a report and analysis of the situation, will be referred to the Superintendent/principal. Complainants should consider and accept the Superintendent/principal or designee's decision as final. However, the complainant, the employee, or the Superintendent/principal may ask to address the Governing Board regarding the complaint.
4. All written complaints regarding district personnel other than administrators shall be initially filed with the Superintendent/principal. If the complaint regards a Superintendent/principal or central office administrator, the written complaint shall be initially filed with the Board President.
5. Except when a complaint is directed against the Superintendent/principal, no party to a complaint may address the Board, either in closed or open session, unless the Board has received the Superintendent/principal or designee's written report concerning the complaint. The Superintendent/principal or designee's report shall contain, but not be limited to:

- a. The name of the employee involved.
- b. A brief but specific summary of the complaint and the facts surrounding it, sufficient to inform the Board and the employee(s) as to the precise nature of the complaint and to allow the employee(s) to prepare a defense.
- c. A copy of the signed original complaint.
- d. A summary of the action taken by the Superintendent/principal or designee with his/her specific finding that disposition of the case at the Superintendent/principal's level has not been possible, and the reasons why.

All parties to a complaint, including the school administration, may be asked to attend a Board meeting or part of such meeting for the purpose of presenting all available evidence and allowing every opportunity for explaining and clarifying the issue.

Complaints concerning an employee shall be addressed in a closed session of the Board unless the employee requests that the issue be addressed in open session.

(cf. 9321 – Closed Session)

The decision of the Board following the hearing shall be final.

The Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Board acknowledges and respects every individual's right to privacy. Discrimination complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process. This may include keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the Superintendent or designee, on a case-by-case basis.

Such participation shall not in any way affect the status, grades, or work assignments of the complainant.

The Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.

Santa Ynez Valley Union High School District
2975 E Hwy 246 (P.O. Box 398)
Santa Ynez, CA 93460
Telephone: 805-688-6487

The Superintendent or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Such employees may have access to legal counsel as determined by the Superintendent or designee.

(cf. 9124 - Attorney)

Notifications

The Superintendent or designee shall annually provide written notification of the district's uniform complaint procedures to students, employees, parents/guardians, the district advisory committee, school advisory committees, appropriate private school officials or representatives, and other interested parties. (5 CCR [4622](#))

The Superintendent or designee shall make available copies of the district's uniform complaint procedures free of charge. (5 CCR [4622](#))

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints
2. Advise the complainant of any civil law remedies that may be available to him/her under state or federal discrimination laws, if applicable
3. Advise the complainant of the appeal process pursuant to Education Code [262.3](#), including the complainant's right to take a complaint directly to the California Department of Education (CDE) or to pursue remedies before civil courts or other public agencies
4. Include statements that:
 - a. The district is primarily responsible for compliance with state and federal laws and regulations
 - b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline

- c. An unlawful discrimination complaint must be filed not later than six months from the date the alleged discrimination occurs, or six months from the date the complainant first obtains knowledge of the facts of the alleged discrimination
- d. The complainant has a right to appeal the district's decision to the CDE by filing a written appeal within 15 days of receiving the district's decision
- e. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision

(cf. [5145.6](#) - Parental Notifications)

Procedures

The following procedures shall be used to address all complaints which allege that the district has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR [4631](#) and [4633](#).

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency or organization may file a written complaint of alleged noncompliance by the district. (5 CCR [4630](#))

A complaint alleging unlawful discrimination shall be initiated no later than six months from the date when the alleged discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination. (5 CCR [4630](#))

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR [4600](#))

Step 2: Mediation

Within three days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. (5 CCR [4631](#))

Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint. (5 CCR [4631](#))

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation. (5 CCR [4631](#))

The district's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant. (5 CCR [4631](#))

Step 4: Response

Within 30 days of receiving the complaint, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision, as described in Step #5 below. If the complainant is dissatisfied with the compliance officer's decision, he/she may, within five days, file his/her complaint in writing with the Board.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision is final.

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 days of the district's initial receipt the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR [4631](#))

Step 5: Final Written Decision

The district's decision shall be in writing and sent to the complainant. (5 CCR [4631](#))

The district's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on the evidence gathered (5 CCR [4631](#))
2. The conclusion(s) of law (5 CCR [4631](#))
3. Disposition of the complaint (5 CCR [4631](#))
4. Rationale for such disposition (5 CCR [4631](#))
5. Corrective actions, if any are warranted (5 CCR [4631](#))
6. Notice of the complainant's right to appeal the district's decision within 15 days to the CDE and procedures to be followed for initiating such an appeal (5 CCR [4631](#))
7. For discrimination complaints, notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies (Education Code [262.3](#))

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with the district's decision, the complainant may appeal in writing to the CDE within 15 days of receiving the district's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the district's decision. (5 CCR [4632](#))

Upon notification by the CDE that the complainant has appealed the district's decision, the Superintendent or designee shall forward the following documents to the CDE: (5 CCR [4633](#))

1. A copy of the original complaint
2. A copy of the decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
6. A copy of the district's complaint procedures

7. Other relevant information requested by the CDE

The CDE may directly intervene in the complaint without waiting for action by the district when one of the conditions listed in 5 CCR [4650](#) exists; including cases in which the district has not taken action within 60 days of the date the complaint was filed with the district.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the district has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR [4622](#).

Conference, Workshop or Other District Related Event

The following procedures shall be used when a district employee requests to attend a conference, workshop, or other District related event:

1. An employee requesting to attend a conference, workshop, or other District related event must complete a Request to Attend Conference/Workshop Reimbursement and Travel Claim form and submit to their immediate supervisor
2. The supervisor will forward to the Business Office for final approval
3. All out-of-state travel or travel occurring on non-contracted days must be approved by the Superintendent
4. A copy of the approved form will be forwarded to the employee, who may then make the travel arrangements
5. Any unauthorized travel will not be reimbursed to the employee

Allowable Expenditures

With the exception of meals and bridge tolls, all travel expenses claimed must be accompanied by a receipt or other documentation. A record of miles must be submitted with the travel claim for personal vehicle use (i.e., Mapquest or other source showing total miles). Allowable expenses are restricted to reasonable and necessary actual expenditures.

1. **Hotel accommodations:** Single rate occupancy when an overnight stay is necessary. Room sharing is encouraged by the District when more than one District employee attends the same conference. If a District employee chooses to not share accommodations, the employee will be responsible for fifty percent (50%) of the room cost.
2. **Transportation:** Lowest total cost and travel time consideration.
 - a. **Personal vehicle use:** Private vehicles will be reimbursed at the current IRS approved mileage rates. In order to minimize transportation costs, carpooling shall be used when possible. If a District employee chooses to not carpool, the employee will be reimbursed at the IRS standard mileage rate multiplied by the number of roundtrip miles and then divided by the number of participants attending the same conference. Mileage is to be calculated to and from the employee's assigned work location (i.e., Santa Ynez Valley Union High School).
 - b. **Airfare:** Restricted to economy fare rates or the equivalent and includes travel to and from departure airport, tolls, parking, and lowest cost shuttle service to and from destination airport to conference location. Allow sufficient time to make 21-day advance purchase in order to obtain best rate.
 - c. **Rental vehicles:** May be used in the economy to standard classification.
3. **Meal reimbursements:** Actual and necessary meal costs within prescribed per diem rates (including gratuities). If a meal is provided as part of a conference registration cost, no amount may be claimed. The following are the meal per diem rates:
 - a. Breakfast: \$11.00
 - b. Lunch: \$17.00
 - c. Dinner: \$28.00
4. **Miscellaneous expenses:** Conference materials, telephone or internet access, and faxes will be reimbursed if attributable to District business. Employees shall be allowed one personal phone call home per day, not to exceed \$3.00 per call per day.

Non-Reimbursable Expenses

Personal expenses incurred while on District business will not be reimbursed. These types of expenses include but are not limited to personal entertainment and all related costs, alcohol or tobacco products, or personal telephone calls in excess of one phone call home per day.

METHODS OF PAYMENT

District Credit Card

Conference registrations, workshop fees, and airfare/transportation may be made by District credit card if authorized by the Superintendent or Business Manager. A purchase order in the name of the credit card company must be completed by the employee and a copy submitted along with the Request to Attend Conference/Workshop Reimbursement and Travel Claim form. All travel arrangements made using the District credit card should be itemized in the Estimated Employee Expenses section of the travel claim form.

Advanced Payments

Conference registration, airfare/transportation, and hotel accommodations may be made by requesting advance payment payable to the employee on the travel claim form. Any request for advance payment shall include itemized cost estimates. Within 10 days after the conference, the employee MUST turn in all itemized receipts for advance payments to the Business Office. In the event of an overpayment by the District to the employee, the employee is required to reimburse the District the difference at the time of submitting the final claim.

Personal Credit Card

The Governing Board recognizes that occasions arise when vendors will not accept a purchase order. On these occasions, the Governing Board authorizes the use of a District credit card. It will be the responsibility of the Superintendent to ensure that proper controls are in place and that only purchases approved by the Superintendent or Business Manager are made with the District credit card. Items or services purchased with the District credit card must follow District purchasing policies and regulations.

Items or services purchased with a personal credit card for which reimbursement will be claimed may be allowed in limited circumstances. Purchases made on personal credit cards must be pre-authorized in accordance with District purchasing policies and regulations.

CREDIT CARD USAGE

The Santa Ynez Valley Union High School District Governing Board authorizes the use of a District credit card in those instances where vendors do not accept purchase orders. Only authorized expenditures may be made with the District credit card. Personal credit cards may be used in limited circumstances and must follow District purchasing policies.

District Credit Card Usage

District credit card purchases may be authorized by the Superintendent or Business Manager and shall conform to the following procedure:

1. Prior to purchasing items or services with the District credit card, the employee shall fill out a purchase order made out to the District credit card company.
2. The name of the company from which the purchase is being made must be listed in the body of the purchase order.
3. Submit the purchase order to Purchasing. The Business Office will give final approval.
4. The employee will receive an approved copy after the purchase order has final approval. The employee may then proceed with the order.

The Superintendent or Business Manager may authorize District credit card use to pay for an employee's District directed travel; a separate purchase order shall be completed to initiate payment to the District credit card company.

In very limited instances, with prior approval by the Superintendent, the District credit card may be taken by employees or Board Members who are traveling on District related business.

Personal Credit Card Usage

Personal credit cards may only be used in limited circumstances. The following District purchasing procedures apply to all personal credit card use:

1. Prior to purchasing items or services, the employee shall fill out a purchase order made out to the employee.
2. The purchase order must contain in the body the name of the company from which the employee will be purchasing the items or services.
3. The employee shall send the purchase order to the Principal or the employee's direct supervisor for first approval. The purchase order must then be approved by the Business Manager or District Fiscal Coordinator.
4. Upon final approval, the purchase order will be forwarded to Purchasing who will notify the employee to proceed with the order.

District Credit Card Issuance

District credit cards will be issued for Board approved expenditures and usage. Maximum limits on the cards are as stated.

Bank credit cards will be issued to the following employees:

<u>Employee</u>	<u>Credit Card Limit</u>
Superintendent	\$5,000
Business Manager	\$10,000

For all District credit cards issued, the cardholders listed above may authorize other employees under their direct supervision the ability to use the credit card for Board approved expenditures. However, such authorization does not relieve the issued cardholder from personal responsibility for proper use of District credit cards.

District Credit Card Expenditures

Expenditures charged to the District credit card must adhere to all of the following:

1. Proper purchasing procedure is followed: expenditures are pre-authorized through a purchase order or travel claim. Under no circumstances will personal or unauthorized expenditures be charged to the District credit card.
2. Absolutely no alcoholic beverages or tobacco products may be purchased.
3. Employees may not use the District credit card to obtain cash.
4. All itemized receipts and the District credit card must be turned into the Business Office within 24 hours or the next business day.
5. Expenditures that exceed the District's credit card limit are prohibited.

Personal Credit Card Expenditures for Employee Reimbursement

Expenditures for school district business charged to an employee's personal credit card must meet the following criteria in order to be reimbursed to the employee:

1. Proper purchasing procedure is followed: expenditures are pre-authorized through a purchase order or travel claim. Under no circumstance will an employee be reimbursed for unauthorized expenditures on the employee's personal credit card.
2. Only appropriate, authorized expenditures will be reimbursed to the employee, including instructional materials and supplies, district approved conferences and relevant travel expenditures, and other items authorized by the Superintendent or Business Manager.

GUIDELINES REGARDING GRIEVANCE/COMPLAINTS

A copy of the policies pertaining to Nondiscrimination and Grievance/Complaints has been included in the District Staff Handbook following this page.

Any certificated or classified employee wishing to file a grievance relating to Civil and Legal Rights, should obtain and file a grievance/complaint form with Mark Swanitz, Principal, who has been designated as the Title IX Coordinator for the Santa Ynez Valley Union High School District. Mark Swanitz, Principal and Dr. Lorraine Hope have been designated as the Section 504 Co-Coordinators for the Santa Ynez Valley Union High School District.

Upon receipt of the grievance/complaint form, the Coordinator will investigate the complaint and submit the findings to the Superintendent. The Superintendent will then render a decision based on those findings and communicate those findings back to the griever.

If the griever is not satisfied with the decision of the Superintendent, the matter will then be referred to the Board of Education. The Board of Education, in a timely manner, will render their decision and report this decision to the griever. If the griever is not satisfied with the Board's decision, they then have the option of pursuing the matter through the office of Civil Rights or another lead agency representing Civil Rights' issues.

COMPLAINTS CONCERNING DISCRIMINATION IN EMPLOYMENT

A. PURPOSE

It is the District's intent to provide all students, employees, applicants, and contractors with an environment that is free from any form of discriminatory harassment, discrimination or retaliation as defined in this Procedure. This Procedure prohibits harassment or discrimination on the basis of any of the following protected classifications: an individual's race, religion, color, sex, gender identity, sexual orientation (including heterosexuality, homosexuality and bisexuality), ethnic or national origin, ancestry, citizenship status, uniformed service member status, marital status, pregnancy, age, medical condition and physical or mental disability (whether perceived or actual). It is also the policy of the District to provide a procedure for investigating alleged harassment, discrimination and retaliation in violation of this Procedure. The protection from discrimination includes the protection from retaliation on any of the above identified protected classifications against a student or employee for his or her having taken action either as a complainant, or for assisting a complainant in taking action, or for acting as a witness or advocate on behalf of a complainant in a legal or other proceeding to obtain a remedy for a breach of this Procedure.

B. POLICY

The District will not tolerate any conduct that violates this Procedure. Conduct need not rise to the level of a violation of law in order to violate this Procedure. Instead, a single act can violate this Procedure and provide grounds for discipline or other appropriate sanctions. If you are in doubt as to whether or not any particular conduct may violate this Procedure, do not engage in the conduct, and seek guidance from a supervisor, the Business Manager or the Superintendent.

C. DEFINITIONS

1. Protected Classifications:

This Procedure prohibits harassment or discrimination because of an individual's protected classification(s). "Protected Classification" includes race, religion, color, sex, gender identity, sexual orientation (including heterosexuality, homosexuality and bisexuality), ethnic or national origin, ancestry, citizenship status, uniformed service member status, marital status, pregnancy, age, medical condition and physical or mental disability (whether perceived or actual).

2. **Coverage:**

This Procedure prohibits District employees, volunteers and contractors from harassing or discriminating against students, applicants, employees, volunteers and contractors because: (1) of an individual's protected classification, (2) of the perception that an individual has a protected classification, or (3) the individual associates with a person who has or is perceived to have a protected classification.

3. **Discrimination:**

This Procedure prohibits treating individuals differently because of the individual's protected classification as defined by this Procedure.

4. **Harassment:**

Harassment means unsolicited words or conduct which subjectively and objectively offend another person. Harassment includes, but is not limited to, the following examples of behavior undertaken because of an individual's protected classification:

- a. **Verbal harassment**, such as epithets (nicknames and slang terms), derogatory or suggestive comments, jokes or slurs, including graphic verbal commentaries about an individual's body, or that identify a person on the basis of his or her protected classification. Verbal harassment includes comments on appearance and stories that tend to disparage those of a protected classification.
- b. **Visual forms of harassment**, such as derogatory posters, notices, bulletins, cartoons, drawings, sexually suggestive objects, or e-mails on the basis of a protected classification.
- c. **Physical harassment**, such as assault, touching, impeding or blocking movement, grabbing, patting, propositioning, leering, making express or implied job-related or academic-related threats in return for submission to physical acts, mimicking, taunting, or any physical interference with normal work or movement.
- d. **Sexual harassment**, such as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature or any of the above described conduct when:
 - i. Submission to such conduct is either an expressed or implied term or condition of an individual's employment or educational status, or
 - ii. Submission to or rejection of such conduct is used as the basis for educational or employment decisions affecting such individual, or
 - iii. Such conduct has the purpose or effect of unreasonably interfering with an individual's academic or work performance or creating a hostile, intimidating or offensive academic or work environment.

- iv. Romantic or sexual relationships between employees and students are prohibited. Romantic or sexual relationships between supervisors and subordinate employees are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. The relationship may create an appearance of impropriety and lead to charges of favoritism by other employees. A welcome sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing.
- v. By definition, sexual harassment is not within the course and scope of an individual's employment with the District.

D. RETALIATION

Retaliation against a person (and his or her associates) who reports or provides information about harassment or discrimination is strictly prohibited. Any act of reprisal violates this Procedure and will result in appropriate disciplinary action. Examples of actions that might be retaliation against a complainant, witness or other participant in the complaint process include: (1) singling a person out for harsher treatment; (2) lowering a performance evaluation or grade; (3) failing to hire, failing to promote, withholding pay increases, assigning more onerous work, abolishing a position, demotion or discharge; or (4) real or implied threats of intimidation to prevent an individual from reporting harassment or discrimination. Well-intentioned attempts to insulate or protect a complainant by changing his or her work/educational environment or schedule or duties or by transferring the complainant to another office may be retaliatory. Before a supervisor takes such action, the supervisor should contact the Business Manager or the Superintendent.

Any act of retaliation will be treated as a separate and distinct incident, regardless of the outcome of the harassment or discrimination complaint.

E. REPORTING HARASSMENT, DISCRIMINATION OR RETALIATION

A student applicant, employee, officer, volunteer, official or contractor who feels he or she has been harassed, discriminated against or retaliated against in violation of this Procedure should report the conduct immediately as outlined below so that the complaint can be resolved quickly and fairly.

All employees involved in the complaint process may be represented by a person of their choosing and at their own expense.

1. Object to the Conduct

Sometimes an individual is unaware that his/her conduct is offensive. In these situations the offensive behavior may be eliminated by simply informing the offender that the conduct or language in question is unwelcome and offensive and request that it be discontinued immediately.

A person who believes he/she is being harassed is encouraged to use this process. When the conduct in question continues after the offending person has been informed, it is offensive, or if a person does not feel comfortable talking to the offending person directly,

the employee should make a report in accordance with subsection 2 below or go directly to the formal reporting process.

2. Written Process

An individual who believes this Procedure has been violated and does not feel comfortable using the process outlined above may provide a written complaint to a teacher or counselor, if the complaint is from a student, supervisor, or any administrator, who in turn must direct the complaint to the Business Manager. Individuals are encouraged to use the Confidential Complaint Form for this purpose.

3. Option to Report to Outside Administrative Agencies

Applicants, employees, officers, volunteers, officials and contractors have the option to report harassment, discrimination, or retaliation to the U.S. Equal Employment Opportunity Commission (EEOC) or the California Department of Fair Employment and Housing (DFEH). These governmental agencies offer legal remedies and a complaint process. The nearest offices are listed in the government section of the phone book as well as on posters located on selected District bulletin boards.

E. DISTRICT'S RESPONSE TO COMPLAINT OF HARASSMENT, DISCRIMINATION OR RETALIATION

1. Investigation

Upon receipt of a complaint of alleged harassment, discrimination or retaliation, the Business Manager will be responsible for coordinating a thorough investigation (unless he/she is named in the complaint). The Business Manager may coordinate the investigation with other District administrators and may hire an outside investigator to assist in the investigation. The type of investigation undertaken, and the party chosen to conduct the investigation will depend on the nature of the complaint made and will be determined by the Business Manager. The Business Manager will report the status of investigations to the Superintendent, as appropriate.

The Business Manager, in concurrence with the Superintendent, may take interim action to diffuse volatile circumstances, such as placing the alleged perpetrator on paid administrative leave or temporarily transferring the alleged perpetrator. Generally, no interim action should be taken to change the complaining individual's working conditions unless the complaining individual voluntarily consents to the temporary change.

The investigator will review the complaint allegations in an objective manner and to the extent that the District deems necessary. The investigation will normally include interviews with the reporting individual, the accused, and any other person who is believed to have relevant knowledge concerning the allegations. The investigator will remind all witnesses to maintain the confidentiality of the content of the interview and that retaliation against those who report alleged harassment or who participate in the investigation is prohibited.

The District takes a proactive approach to potential Procedure violations and will conduct an investigation if its officers, supervisors, or administrators become aware that harassment, discrimination or retaliation may be occurring, regardless of whether or not the recipient of the alleged action or a third party reports a potential violation. At the conclusion of the investigation, if it is determined that the alleged conduct did not occur or that it did not violate this Procedure, the Business Manager will notify the complainant and the alleged perpetrator, if appropriate, of the general conclusion(s) of the investigation and whether any further action is warranted.

2. Remedial and Disciplinary Action

If the investigation determines that the alleged conduct occurred and that the conduct violated this Procedure, the District will notify the complainant and perpetrator of the general conclusion(s) of the investigation and take effective remedial action that is designed to end the violation(s). Any employee determined to have violated this Procedure will be subject to disciplinary action, up to and including termination. Disciplinary action may also be taken against any supervisor, manager or administrator who condones or ignores potential violations of this Procedure, or who otherwise fails to take appropriate action to enforce this Procedure. Any contractor or volunteer found to have violated this Procedure will be subject to appropriate sanctions.

3. Closure

At the conclusion of the investigation, the [insert same position title] shall notify the complainant in general terms of the outcome of the investigation.

4. Appeal Rights

If the complainant is dissatisfied with the result of the investigation process, the complainant may present the complaint to the Superintendent or designee within ten days of receipt of the investigator's final report. The Superintendent or designee shall review the investigation file, including the written complaint and all responses from district staff.

The Superintendent or designee shall respond to the complainant in writing within ten working days. If the Superintendent or designee finds it necessary to conduct further investigation, he/she may designate up to ten additional working days for such investigation and shall respond to the complainant in writing within ten days of completing the investigation.

If the complainant is dissatisfied with the result of the Superintendent's (or designee's) decision, the complainant may file a written appeal to the Governing Board within ten working days after receiving the Superintendent/designee's response. The Superintendent or designee shall provide the Board with all information presented at previous levels.

The Board shall hear the matter as soon as practicable. Except as provided by law, any complaint against a district employee shall be conducted in closed session. The Board shall render its decision within ten working days.

The Board may appoint a hearing officer or panel to review the complaint and previous decisions and make recommendations to the Board. The hearing officer/panel shall hear the appeal and render its decision as soon as practicable.

Complainants may appeal the district's action to the California Department of Education. The Superintendent or designee shall ensure that complainants are informed that injunctions, restraining orders and other civil law remedies may also be available to them. This information shall be published with the district's nondiscrimination complaint procedures and included in any related notices. (Education Code 262.3)

4. Confidentiality

Every possible effort will be made to assure the confidentiality of complaints made under this Procedure. Complete confidentiality cannot occur, however, due to the need to fully investigate potential Procedure violations and take effective remedial action. An individual who is interviewed during the course of an investigation is prohibited from discussing the substance of the interview, except as otherwise directed by a supervisor or the Business Manager. Any individual who discusses the content of an investigatory interview will be subject to discipline or other appropriate sanction. The District will not disclose a completed investigation report except as it deems necessary to support a disciplinary action, to take remedial action, to defend itself in adversarial proceedings, or to comply with the law or a court order.

F. RESPONSIBILITIES OF EMPLOYEES, MANAGEMENT AND SUPERVISORY EMPLOYEES

1. Employees

In order to establish and maintain a professional educational and working environment, while at the same time preventing harassment, discrimination, and retaliation, employees are expected to:

- Set an example of acceptable conduct by not participating in or provoking behavior that violates this Procedure. Try not to be angry or insulted if an individual tells you that your behavior is offensive. People have different ethical values and standards and may be offended by behavior you think is proper. Tell the individual you did not realize your behavior was offensive, and immediately cease the conduct.
- Let fellow employees know when you consider behavior offensive. The District hires people from a wide variety of cultural and ethnic backgrounds, and an individual may not realize behavior he or she thinks is proper could be seen by others as offensive.
- Report harassment, discrimination or retaliation as quickly as possible, whether a student or an employee is the target of the conduct or a witness.

- If an employee witnesses harassment, he or she should tell the individual being harassed that the District has a policy prohibiting such behavior, and that he or she can demand that the harasser cease the behavior.
- Maintain confidentiality as required by this Procedure.
- Fully cooperate with the District's investigation of complaints made under this Procedure.

2. Supervisors, Managers and Administrators

In addition to the responsibilities listed above, supervisors, managers and administrators are responsible for the following:

- Implementing this Procedure by taking all complaints seriously and modeling behavior that is consistent with this Procedure. Direct all complaints to the Business Manger.
- Take positive steps to eliminate any form of harassment, discrimination or retaliation observed or brought to his/her attention.
- No supervisor, manager or administrator may retaliate through any action of intimidation, restraint, coercion or discrimination.
- Monitoring the educational and work environment and taking appropriate action to stop potential violations of this Procedure.
- Following up with those who have complained to ensure the behavior complained of has ceased.
- Informing complainants of their option to contact the EEOC or DFEH regarding a potential Procedure violation.

G. MANADATORY TRAINING

As part of its commitment to ensuring a work environment free from harassment and discrimination, the District requires that all of its supervisors, managers and administrators receive training on this Procedure at least once every two years. The Superintendent or designee will schedule training to ensure that employees are able to schedule the mandatory training. Attendance at the training will be documented.

REASONABLE ACCOMMODATION

Definitions

Disability, with respect to an individual, is defined as any of the following: (Government Code [12926](#); 29 CFR [1630.2](#))

1. A physical or mental impairment that limits one or more of the major life activities
2. A record of such an impairment
3. Being regarded as having such an impairment

Limits shall be determined without regard to mitigating measures such as medications, assistive devices, prosthetics or reasonable accommodations, unless the mitigating measure itself limits a major life activity. (Government Code [12926](#))

Essential functions are the fundamental job duties of the position the individual with a disability holds or desires. The term does not include the marginal functions of the position. (29 CFR [1630.2](#))

(cf. [4119.3](#)/4219.3/4319.3 - Duties of Personnel)

Reasonable accommodations that an employer may need to provide in connection with modifications to the work environment or adjustments in how and when a job is performed that enable an individual with a disability to enjoy equal employment opportunities include, but are not limited to: (29 CFR [1630.2](#))

1. Making existing facilities accessible and usable
2. Restructuring the job duties
3. Offering part-time or modified work schedules
4. Acquiring or modifying equipment or devices
5. Changing tests, training materials or policies
6. Providing qualified readers or interpreters
7. Reassigning the employee to a vacant position

Qualified individual with a disability means an individual with a disability who satisfies the requisite skill, experience, education and other job-related requirements of the employment position and who, with or without reasonable accommodation, can perform the essential functions of such position. (29 CFR [1630.2](#))

Undue hardship is a determination based on an individualized assessment of current circumstances that shows that a specific reasonable accommodation would cause significant difficulty or expense. A determination of undue hardship should be based on several factors, including: (29 CFR [1630.2](#))

1. The nature and net cost of the accommodation needed, taking into consideration the availability of tax credits and deductions and/or outside funding
2. The overall financial resources of the facility making the reasonable accommodation, the number of persons employed at this facility, the effect on expenses and resources of the facility, or the impact on the operations of the facility
3. The overall financial resources, size, number of employees, and the number, type and location of facilities of the district
4. The type of operation of the district, including the structure and functions of the workforce, the geographic separateness, and the administrative or fiscal relationship of the facility involved in making the accommodation
5. The impact of the accommodation on the operation of the facility, including the impact on the ability of other employees to perform their duties and the impact on the facility's ability to conduct business.

Requests for Reasonable Accommodation

The district designates the position specified in BP 4030 - Nondiscrimination in Employment as the coordinator of its efforts to comply with the Americans with Disabilities Act (ADA) and to investigate any and all related complaints.

(cf. [4030](#) - Nondiscrimination in Employment)

(cf. [4031](#) - Complaints Concerning Discrimination in Employment)

When requesting reasonable accommodation, the employee or employee's representative shall inform the employee's supervisor that he/she needs a change at work for a reason related to a medical condition.

When requesting reasonable accommodation during the hiring process, a job applicant shall inform the coordinator that he/she will need a reasonable accommodation for the process.

Employees' requests for reasonable accommodation may first be considered informally by the site administrator. The site administrator shall consult with the coordinator before any decision as to accommodation is made.

When the disability and/or the need for accommodation is not obvious, the coordinator may ask the employee to supply reasonable documentation about his/her disability. In requesting this documentation, the coordinator shall specify the types of information that are being sought about the employee's condition, the employee's functional limitations and the need for reasonable

accommodation. The employee may be asked to sign a limited release allowing the district to submit a list of specific questions to the health care or vocational professional.

If the documentation submitted by the employee does not specify the existence of a qualifying disability and explain the need for reasonable accommodation, the district may require the employee to submit to an examination by a health care professional selected and paid for by the district.

Upon receiving a request to reasonably accommodate a qualified employee with a disability, the coordinator shall:

1. Determine the essential functions of the job
2. Engage in an informal, interactive process with the employee to review the request for accommodation, identify the precise limitations resulting from the disability, identify potential means for providing accommodation, and assess their effectiveness
3. Develop a plan for reasonable accommodation which is effective and allows the employee to perform the essential functions of the job or to gain equal access to a benefit or privilege of employment and does not impose undue hardship on the district

To qualify for a job, an individual shall not pose a significant risk of substantial harm to himself/herself or others in the workplace which cannot be eliminated or reduced by reasonable accommodation. (29 CFR [1630.2](#))

The determination of whether an individual poses a significant risk of substantial harm to himself/herself or others shall be made on a case-by-case basis and shall be based on objective, factual evidence, taking into consideration the duration of the risks, the nature and severity of the potential harm, the likelihood that the potential harm will occur and the imminence of potential harm. (29 CFR [1630.2](#))

The coordinator may confer with the site administrator, the district medical advisor and/or other district staff before making a final decision as to the accommodation.

Reasonable Accommodation Committee

The coordinator may appoint a Reasonable Accommodation Committee to review or assist in the development of appropriate plans to reasonably accommodate an employee or qualified job applicant who has requested an adjustment in work duties or environment because of known physical or mental disabilities. The membership of this committee may change on a case-by-case basis. The committee may include:

1. A district administrator
2. A site administrator
3. A medical advisor or rehabilitation specialist
4. A certificated employee

5. A classified employee

Committee members shall be selected on the basis of their knowledge of the relevant issues, including:

1. The specific functions and duties required in the position
2. The physical work environment
3. Available accommodations

At the coordinator's discretion, the employee or applicant requesting accommodation may participate in or be excluded from committee meetings. If the employee or applicant is excluded from committee meetings, the coordinator shall communicate with him/her so that he/she has the opportunity to interact and contribute to planning the reasonable accommodation.

The coordinator shall take steps to ensure the confidentiality of information related to medical conditions.

Appeal Process

If the employee or applicant is not satisfied with the decision of the coordinator, he/she may appeal in writing to the Superintendent or designee. This appeal shall be made within 10 working days of receiving the decision and shall include:

1. A clear, concise statement of the reasons for the appeal
2. A statement of the specific remedy sought

The Superintendent or designee shall consult with the coordinator and review the appeal, together with any available supporting documents. The Superintendent or designee shall give the employee or applicant his/her decision within 15 working days of receiving the appeal.

Any further appeal for reasonable accommodation shall be considered a complaint concerning discrimination in employment and may be taken to the Governing Board in accordance with the district's procedure for such complaints.

- (cf. [4119.25/4219.25/4319.25](#) - Political Activities of Employees)

Employees should be aware that computer files and communications over electronic networks, including e-mail and voice mail, are not private. These technologies shall not be used to transmit confidential information about students, employees or district operations without authority.

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that prevents access to visual depictions that are obscene or child pornography, and that the operation of such measures is enforced. The Superintendent or designee may disable the technology protection measure during use by an adult to enable access for bona fide research or other lawful purpose. (20 USC [6777](#); 47 USC 254)

To ensure proper use of the system, the Superintendent or designee may monitor the district's technological resources, including e-mail and voice mail systems, at any time without advance notice or consent. If passwords are used, they must be known to the Superintendent or designee so that he/she may have system access.

The Superintendent or designee shall establish administrative regulations which outline employee obligations and responsibilities related to the use of district technology. He/she also may establish guidelines and limits on the use of technological resources. Inappropriate use shall result in a cancellation of the employee's user privileges, disciplinary action and/or legal action in accordance with law, Board policy and administrative regulations.

(cf. [4118](#) - Suspension/Disciplinary Action)

(cf. [4218](#) - Dismissal/Suspension/Disciplinary Action)

CERTIFICATION

Registration

Each person employed by the district for a position requiring certification qualifications shall, within 60 days after beginning employment, register with the county office of education a valid credential authorizing the person to work in that position. Certificated employees also shall register renewed credentials within 60 days after the renewal. (Education Code [44330](#), [44857](#))

Basic Skills Proficiency Test

Prior to being hired by the Governing Board, all certificated persons, whether hired on a permanent, temporary, or substitute basis, shall demonstrate basic skills proficiency in reading, writing, and mathematics, unless specifically exempted from this requirement by Education Code [44830](#). (Education Code [44830](#))

Certificated persons, who have not held a position requiring certification within 39 months of employment and who have not taken the state basic skills proficiency test may be hired as temporary employees, provided they pass a basic skills proficiency test developed and administered by the district. Such employees shall subsequently take the state test within one year of employment. (Education Code [44830](#))

(cf. [4121](#) - Temporary/Substitute Personnel)

Persons holding a designated subjects/special subjects credential or vocational designated subject credential shall not be required to take the state basic skills proficiency test unless their specific credential requires the possession of a baccalaureate degree. Instead, these persons shall be assessed with district proficiency criteria established by the Board for these credentials, which shall be at least equivalent to the district test required for graduation from high school. (Education Code [44252](#), [44830](#))

Persons holding a designated subjects/special subjects credential or a vocational designated subject credential shall be charged a fee to take the district proficiency test.

Out-of-State/Country Credentials

(cf. [4112.5/4312.5](#) - Criminal Record Check)

To be eligible for a professional clear credential, teachers prepared out of state or out of the country must meet legal requirements for basic skill proficiency, subject matter competence, course completion, and either a fifth-year postsecondary program or an induction program for beginning teachers. (Education Code [44274](#), [44275.3](#), [44275.4](#))

(cf. [4131.1](#) - Beginning Teacher Support/Induction)

The district may employ, at any grade level, a person with an emergency substitute permit issued by the CTC with the following restrictions:

1. A person with a 30-day emergency substitute permit shall not serve as a substitute for more than 30 days for any one teacher during the school year. (5 CCR [80025](#))
2. A person with an emergency career substitute teaching permit shall not serve as a substitute for more than 60 days for any one teacher during the school year. (5 CCR [80025.1](#))

4. A person authorized for day-to-day substitute teaching shall not serve as a special education substitute for more than 20 days for any one teacher during the school year. (5 CCR [80025.4](#))
5. A person with an emergency substitute permit for vocational education shall not serve as a substitute for more than 30 days for any one teacher during the school year. (5 CCR [80025.5](#))

Before employing any person pursuant to 5 CCR [80025](#) or [80025.5](#), the Superintendent or designee shall prepare and keep on file a signed statement of need. The statement of need shall describe the situation or circumstances that necessitate the use of a 30-day substitute permit holder and state either that a credentialed person is not available or that the available credentialed person does not meet the district's specified employment criteria. (5 CCR [80025](#), [80025.5](#))

Short-Term and Provisional Internship Permits

Whenever there is a need to fill a classroom immediately based on an unforeseen need, the district may request that the CTC issue a short-term staff permit to an applicant who meets the qualifications specified in 5 CCR 80021. In such cases, the district shall: (5 CCR 80021)

1. Verify that it has conducted a local recruitment for the short-term staff permit being requested

(cf. [4111](#) - Recruitment and Selection)

(cf. [4131](#) - Staff Development)

3. Submit written justification for the permit signed by the Superintendent or designee

The district may request that the CTC issue a provisional internship permit to an applicant who meets the qualifications specified in 5 CCR 80021.1 whenever a suitable credentialed teacher

cannot be found after a diligent search. The district shall verify each of the following: (5 CCR 80021.1)

1. That a diligent search has been conducted for a suitable credentialed teacher or suitable qualified intern as evidenced by documentation of the search

(cf. [4112.21](#) - Interns)

The search shall include, but not be limited to, distributing job announcements, contacting college and university placement centers, and advertising in print or electronic media.

2. That orientation, guidance, and assistance will be provided to the permit holder as specified in 5 CCR [80026.5](#)

The orientation shall include, but not be limited to, an overview of the curriculum the teacher is expected to teach and effective instruction and classroom management techniques at the permit holder's assigned level. The Superintendent or designee shall assign an experienced educator to guide and assist each permit holder. (5 CCR [80026.5](#))

3. That the district will assist the permit holder in developing a personalized plan through a district-defined assessment that would lead to subject-matter competence related to the permit
4. That the district will assist the permit holder to seek and enroll in subject-matter training, such as workshops or seminars and site-based courses, along with training in test-taking strategies, and will assist the permit holder in meeting the credential subject-matter competence requirement related to the permit

5. That a notice of intent to employ the applicant in the identified position has been made public

The district shall submit a copy of the agenda item presented at a public Board meeting which shall state the name of the applicant, the assignment in which the applicant will be employed including the name of the school, subject(s), and grade(s) that he/she will be teaching, and that the applicant will be employed on the basis of a provisional internship permit. The district also shall submit a signed statement from the Superintendent or designee that the agenda item was acted upon favorably.

Classified Personnel

LAYOFF/REHIRE

The district intends to be fair and equitable when it must reduce staff for lack of funds or lack of work, including the abolishment, reclassification or reorganization of positions. The regulations below are designated to reduce the hardships of a layoff, especially for long-term employees.

1. Order of Layoff and Reemployment; Determination of Seniority

Classified employees shall be subject to layoff for lack of work or lack of funds. Whenever a classified employee is laid off, the order of layoff within the class shall be determined by length of service. The employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first. Reemployment shall be in reverse order of layoff. (education Codes 45114, 45298, 45308) (See CSEA Negotiated Contract)

2. Reemployment Eligibility

Classified employees laid off because of lack of work or lack of funds are eligible for reemployment within a period of thirty-nine (39) months and shall be reemployed in preference to new applicants. Persons so laid off also have the right to apply and establish their qualification for vacant promotional positions within the district during the thirty-nine (39) month period. (Education Codes 45114, 45298)

3. Voluntary Demotion or Voluntary Reduction of Hours

When employees take voluntary demotions or voluntary reductions in assigned time in lieu of layoff or in order to remain in their present position rather than be reclassified or reassigned, they shall be granted the same rights as the persons laid off. They shall retain eligibility to be considered for reemployment for an additional period of up to twenty-four

(24) months, provided that the same tests of fitness under which they qualified for appointment to the class are still applicable. The Governing Board shall determine the specific period of eligibility for reemployment on a class-by-class basis. (Education Code 45298)

Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall have the option of returning to a position in their former class or to positions with increased assignment time as vacancies become available, and without limitation of time. If there is a valid reemployment list, they shall be ranked on that list in accordance with their proper seniority. (Education Code 45298)

4. Procedure for Layoff

Classified employees subject to layoff because of lack of work in the event of a bonafide reduction or elimination of service being performed shall receive notice of the layoff thirty (30) days before the effective date. They shall be informed of their reemployment rights and displacement rights, if any. (Education Code 45117(b))

In cases where specially funded programs expire at the end of any school year, classified employees subject to layoff for lack of fund shall receive written notice on or before may 29. The notice shall inform them of the layoff effective at the end of the school year and of their displacement and reemployment rights. If the termination date of the specially funded program is other than June 30, the notice shall be given at least thirty (30) days before the effective date of the layoff. (Education Code 45117(a))

The district is not bound to provide thirty (30) days notice in the vent that it is unable to pay the salaries of classified employees due to an actual and existing financial inability, or if layoff is caused by conditions not foreseeable or preventable by the district. The district will provide information about reemployment and displacement rights, if any, to all employees laid off under these conditions. (Education Code 45117(a))

5. Reinstatement

In order to be reinstated, an employee must be fully capable of performing the normal and customary duties of the job. Employees whose physical condition is such that they cannot be reinstated at the time called for reemployment will be kept on the reemployment list until physically capable of returning to work or for a period not to exceed 39 calendar months.

When a vacancy occurs, the senior employee who has held prior permanency in the position will be so notified by certified U.S. mail at his/her last known address and given the opportunity to accept or reject appointment into the vacant position. He/she must advise the district of his/her decision on later than ten (10) calendar days following notification. If he/she accepts, he/she must report to work no later than two (2) calendar weeks from the vacancy notification date. If he/she declines, he/her name will be removed from the reemployment list and he/she will forfeit all rights to which he/she would otherwise be entitled.

When a laid-off employee is reemployed, all accumulated sick leave credit will be restored to him/her.

A laid-off permanent employee will be reemployed with all rights and benefits accorded to him/he at the time of layoff. A laid-off probationary employee will be reemployed as a probationary employee, and the time served toward the completion of the required probationary period will be counted. He/she will also be reemployed with all rights and benefits accorded to him/her at the time of layoff.

Laid-off employees, when reemployed, will be placed on the salary step held at the time of layoff. Employees who bumped into a lower class will, when reinstated to their previous class, be placed on the salary step to which they would have progressed had they remained there. An adjusted anniversary date will be established for step increment purposes so as to reflect the actual amount of time served in the district.

At any time prior to the expiration of the probationary period, the Superintendent or designee may, at his/her discretion, dismiss a probationary classified employee from district employment. A probationary employee shall not be entitled to a hearing.

Involuntary Suspension Without Pay, Demotion, Reduction of Pay Step in Class, or Dismissal of Permanent Classified Employees

Permanent classified employees shall be subject to personnel action (suspension without pay, demotion, reduction of pay step in class, dismissal) only for cause. The Board's determination of the sufficiency of the cause for disciplinary action shall be conclusive.

1. Causes

In addition to any disqualifying or actionable causes otherwise provided for by statute or by policy or regulation of this district, each of the following constitutes cause for personnel action against a permanent classified employee:

- a. Falsifying any information supplied to the school district, including, but not limited to, information supplied on application forms, employment records, or any other school district records.
- b. Incompetency.
- c. Inefficiency.
- d. Neglect of duty.
- e. Insubordination.
- f. Dishonesty.
- g. Drinking alcoholic beverages while on duty or in such close time proximity thereto as to cause any detrimental effect upon the employee or upon employees associated with him/her.

(cf. [4020](#) - Drug and Alcohol-Free Workplace)

- h. Possessing or being under the influence of a controlled substance at work or away from work, or furnishing a controlled substance to a minor.
- i. Conviction of a felony, conviction of any sex offense made relevant by provisions of law, or conviction of a misdemeanor which is of such a nature as to adversely affect the employee's ability to perform the duties and responsibilities of his/her position. A plea or verdict of guilty, or a conviction following a plea of nolo contendere, is deemed to be a conviction for this purpose.
- j. Absence without leave.
- k. Immoral conduct.
- l. Discourteous treatment of the public, students, or other employees.
- m. Improper political activity.
- n. Willful disobedience.
- o. Misuse of district property.
- p. Violation of district, Board or departmental rule, policy, or procedure.
- q. Failure to possess or keep in effect any license, certificate, or other similar requirement specified in the employee's class specification or otherwise necessary for the employee to perform the duties of the position.
- r. Refusal to take and subscribe any oath or affirmation which is required by law in connection with his/her employment.

- s. A physical or mental disability which precludes the employee from the proper performance of his/her duties and responsibilities as determined by competent medical authority, except as otherwise provided by a contract or by law regulating the retirement of employees.
- t. Unlawful discrimination, including harassment, on the basis of race, religious creed, color, national origin, ancestry, physical handicap, marital status, sex, or age against the public or other employees while acting in the capacity of a district employee.
- u. Unlawful retaliation against any other district officer or employee or member of the public who, in good faith, reports, discloses, divulges, or otherwise brings to the attention of any appropriate authority any information relative to an actual or suspected violation of state or federal law occurring on the job or directly related thereto.
- v. Any other failure of good behavior either during or outside of duty hours which is of such nature that it causes discredit to the district or his/her employment.

Except as defined in item "s" above, no personnel action shall be taken for any cause which arose before the employee became permanent, nor for any cause which arose more than two years before the date of the filing of the notice of cause unless this cause was concealed or not disclosed by the employee when it could be reasonably assumed that the employee would have disclosed the facts to the district.

2. Initiation and Notification of Charges

The Superintendent or designee may initiate a personnel action as defined herein against a permanent classified employee.

In all cases involving a personnel action, the person initiating the action shall file a written recommendation of personnel action with the Board. A copy of the recommendation shall be served upon the employee either personally or by registered or certified mail, return receipt requested, at the employee's last known address. The recommendation shall include:

- a. A statement of the nature of the personnel action (suspension without pay, demotion, reduction of pay step in class, or dismissal).
- b. A statement of the cause or causes for the personnel action, as set forth above.
- c. A statement of the specific acts or omissions upon which the causes are based. If a violation of rule, policy, or regulation of the district is alleged, the rule, policy, or regulation violated shall be stated in the recommendation.
- d. A statement of the employee's right to appeal the recommendation and the manner and time within which the appeal must be filed.
- e. A card or paper, the signing and filing of which shall constitute a demand for hearing and a denial of all charges.

3. Employment Status Pending Appeal or Waiver

Except as provided herein, any employee against whom a recommendation of personnel action has been issued shall remain on active duty status and responsible for fulfilling the duties of the position pending his/her appeal or waiver thereof.

If the Superintendent or designee determines that a permanent classified employee should be dismissed and that his/her continuing in active duty status would present an unreasonable risk of harm to students, staff, or property while proceedings are pending, the Superintendent or designee may order the employee immediately suspended from duty without pay in conjunction with the

recommendation of personnel action. This suspension order shall be in writing and shall state the reasons that the suspension is deemed necessary. The suspension order shall be served upon the employee either personally or by registered or certified mail, return receipt requested, immediately after issuance. Except in cases of emergency when the employee must be removed from the premises immediately, the Superintendent or designee shall give the employee written notice of the proposed recommendation of dismissal at least five calendar days before the effective date of any order of suspension issued in conjunction with a recommendation involving dismissal. This notice shall state that immediate suspension without pay is being considered, the reasons for the proposed dismissal and proposed immediate suspension without pay, materials upon which the proposed action is based, and the employee's right to respond to the Superintendent or designee orally or in writing before the final recommendation and order are issued.

4. Time Limit of Suspension

Except for a suspension imposed under #3 above, any suspension invoked under these rules against any one person for one or more periods shall not aggregate more than 90 calendar days in any 12-month period; however, this time limitation shall not apply to cases in which a personnel action of dismissal is modified by the Board to a suspension.

5. Right to Appeal

Within five calendar days after receiving the recommendation of personnel action described above, the employee may appeal by signing and filing the card or paper included with the recommendation. Any other written document signed and appropriately filed within the specified time limit by the employee shall constitute a sufficient notice of appeal. A notice of appeal is filed only by delivering the notice of appeal to the office of the Superintendent or designee during normal work hours of that office. A notice of appeal may be mailed to the office of the Superintendent or designee but must be received or postmarked no later than the time limit stated herein. In cases where an order of suspension without pay has been issued in conjunction with a recommendation of dismissal, any appeal of the recommendation of dismissal shall also constitute an appeal of the suspension order, and the necessity of the order shall be an issue in the appeal hearing.

If the employee fails to file a notice of appeal within the time specified in these rules, he/she shall be deemed to have waived his/her right to appeal, and the Board may order the recommended personnel action into effect immediately.

6. Amended/Supplemental Charges

At any time before an employee's appeal is finally submitted to the Board or to a hearing officer for decision, the complainant may, with the consent of the Board or hearing officer, serve on the employee and file with the Board an amended or supplemental recommendation of personnel action.

If the amended or supplemental recommendation presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare his/her defense. Any new causes or allegations shall be deemed controverted and any objections to the amended or supplemental causes or allegation may be made orally at the hearing and shall be noted on the record.

7. Hearing Procedures

a. The hearing shall be held at the earliest convenient date, taking into consideration the established schedule of the Board or hearing officer and the availability of counsel and witnesses. The parties shall be notified of the time and place of the hearing. The employee shall be entitled to appear personally, produce evidence, and have counsel. The employee shall be entitled to a public hearing if he/she demands it when the Board is hearing the appeal. The complainant may also be represented by counsel. The procedure entitled "Administrative Adjudication" commencing with Government Code [11500](#) shall not apply to any such hearing before the Board or a hearing officer. Neither the Board nor a hearing officer shall be bound by rules of evidence used in California courts. Informality in any such hearing shall not invalidate any order or decision made or approved by the hearing officer or the Board.

b. All hearings shall be heard by a hearing officer (who shall be an attorney licensed in the State of California) except in those cases where the Board determines to hear the appeal itself. In any case in which the Board hears the appeal, the Board may use the services of its counsel or a hearing officer in ruling upon procedural questions, objections to evidence, and issues of law. If the appeal is heard by the Board, the Board shall affirm, modify or revoke the recommended personnel action.

c. If the appeal is heard by a hearing officer, he/she shall prepare a proposed decision in a form that may be adopted by the Board as the decision in the case. A copy of the proposed decision shall be received and filed by the Board and furnished to each party within ten days after the proposed decision is filed by the Board. The Board may:

(1) Adopt the proposed decision in its entirety.

(2) Reduce the personnel action set forth in the proposed decision and adopt the balance of the proposed decision.

(3) Reject a proposed reduction in personnel action, approve the personnel action sought by the complainant or any lesser penalty, and adopt the balance of the proposed decision.

(4) Reject the proposed decision in its entirety.

d. If the Board rejects the proposed decision in its entirety, each party shall be notified of such action and the Board may decide the case upon the record including the transcript, with or without the taking of additional evidence, or may refer the case to the same or another hearing officer to take additional evidence. If the case is so assigned to a hearing officer, he/she shall prepare a proposed decision, as provided in item "c" above, upon the additional evidence and the transcript and other papers which are part of the record of the prior hearing. A copy of this proposed decision shall be furnished to each party within 10 days after the proposed decision is filed by the Board.

- e. In arriving at a decision or a proposed decision on the propriety of the proposed personnel action, the Board or the hearing officer may consider the records of any prior personnel action proceedings against the employee in which a personnel action was ultimately sustained and any records that were contained in the employee's personnel files and introduced into evidence at the hearing.

8. Hearing Decision

The decision of the Board shall be in writing and shall contain findings of fact and the personnel action approved, if any. The findings may reiterate the language of the pleadings or simply refer to them.

The decision of the Board shall be certified to the Superintendent or designee who recommended the personnel action, and he/she shall enforce and follow this decision. A copy of the decision shall be delivered to the appellant or his/her designated representative personally or by registered mail. The decision of the Board shall be final.

9. Compulsory Dismissal

The district shall not employ or retain in employment any person who has been convicted of any sex offense as defined in Education Code [44010](#) or any controlled substance offense as defined in Education Code [44011](#). However, the district may employ a person convicted of a controlled substance offense if the Board determines from the evidence it requires that the person has been rehabilitated for at least five years. If any such conviction is reversed and the person acquitted or charges dismissed except as otherwise provided below, the employee may be reemployed by the district, although reemployment is not a guarantee. (Education Code [45123](#))

The district reserves the right to dismiss an employee for any acts upon which the original criminal charges were based, despite the disposition by the courts. If dismissal is recommended and upheld, an employee will not be reemployed or compensated for the time he/she was suspended unless otherwise required by law. An employee shall be given notice of the possibility of not being reimbursed during mandatory suspension if he/she is ultimately dismissed for the acts upon which the original charges were based.

10. Extension of Compulsory Leave

The Board may extend an employee's compulsory leave of absence by giving him/her notice, within ten days after the entry of judgment in the proceedings, that he/she will be dismissed in 30 days unless he/she demands a hearing. Employee compensation during the period of compulsory leave shall be made in accordance with law. (Education Code [44940.5](#))

Sexual Harassment

The Facts About Sexual Harassment

The *Fair Employment and Housing Act* (FEHA) defines sexual harassment as harassment based on sex or of a sexual nature; gender harassment; and harassment based on pregnancy, childbirth, or related medical conditions. The definition of sexual harassment includes many forms of offensive behavior, including harassment of a person of the same gender as the harasser. The following is a partial list of types of sexual harassment:

- Unwanted sexual advances
- Offering employment benefits in exchange for sexual favors
- Actual or threatened retaliation
- Leering; making sexual gestures; or displaying sexually suggestive objects, pictures, cartoons, or posters
- Making or using derogatory comments, epithets, slurs, or jokes
- Sexual comments including graphic comments about an individual's body; sexually degrading words used to describe an individual; or suggestive or obscene letters, notes, or invitations
- Physical touching or assault, as well as impeding or blocking movements such as a lead, supervisor, manager or agent;
- the employer had no knowledge of the harassment;
- there was a program to prevent harassment; and
- once aware of any harassment, the employer took immediate and appropriate corrective action to stop the harassment.

Filing a Complaint

Employees or job applicants who believe that they have been sexually harassed may file a complaint of discrimination with DFEH within **one year** of the harassment.

DFEH serves as a neutral fact-finder and attempts to help the parties voluntarily resolve disputes. If DFEH finds sufficient evidence to establish that discrimination occurred and settlement efforts fail, the Department may file a formal accusation. The accusation will lead to either a public hearing before the Fair Employment and Housing Commission or a lawsuit filed by DFEH on behalf of the complaining party.

If the Commission finds that discrimination has occurred, it can order remedies including:

- Fines or damages for emotional distress from each employer or person found to have violated the law
- Hiring or reinstatement
- Back pay or promotion
- Changes in the policies or practices of the involved employer

Employees can also pursue the matter through a private lawsuit in civil court after a complaint has been filed with DFEH and a Right-to-Sue Notice has been issued.

EMPLOYEE SECURITY

The Governing Board desires to provide a safe, orderly working environment for all employees. As part of the district's comprehensive school safety plan, the Superintendent or designee shall develop strategies for protecting employees from potentially dangerous persons and situations and for assisting them in the event of an emergency situation.

(cf. 3515 - School Safety and Security)
(cf. 5131.4 - Campus Disturbances)

The Superintendent or designee shall ensure that employees are informed, in accordance with law, regarding crimes and offenses by students who may pose a danger in the classroom.

When violence is directed against an employee by any individual and the employee so notifies the district, the district shall take steps to ensure that appropriate legal measures are instituted. When the employee notifies the district of a threat of bodily harm, the district shall take appropriate measures to enable the employee to request assistance if an attempt occurs on school grounds.

The Superintendent or designee shall ensure that employees are trained in crisis prevention and intervention techniques in order to protect themselves and students. Staff development may include training in classroom management, effective communication techniques and crisis resolution.

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

The Board recognizes that access to two-way communications devices allows employees to call for assistance from their supervisor or law enforcement in the event of a threat of violence or medical emergency. The district shall provide such communications devices in classrooms to the extent possible.

(cf. 5141 - Health Care and Emergencies)

Employees may not carry or possess pepper spray on school property or at school activities. On a case-by-case basis, however, the Superintendent or designee may allow the possession of a pepper spray weapon that meets the requirements of Penal Code 12403.7 when justified by unusual dangerous circumstances. Any employee who is negligent or careless in the possession or handling of pepper spray shall be subject to appropriate disciplinary measures.

EMPLOYEE SECURITY

An employee may use reasonable force when necessary to protect himself/herself from attack, to protect another person or property, to quell a disturbance threatening physical injury to others, or to obtain possession of weapons or other dangerous objects on or within the control of a student. (Education Code 44807, 49331)

(cf. 5131.7 - Weapons and Dangerous Instruments)

Employees shall promptly report to their principal or other immediate supervisor any attack, assault or physical threat made against them by a student.

Both the employee and the principal or other immediate supervisor shall promptly report such instances to the appropriate local law enforcement agency. (Education Code 44014)

In addition, employees shall promptly report to their principal or supervisor, and may report to law enforcement, any attack, assault or threat made against them on school grounds by any other individual.

(cf. 3515.2 - Disruptions)

Reports of attack, assault or threat also shall be forwarded immediately to the Superintendent or designee.

An employee whose person or property is injured or damaged by willful misconduct of a student may ask the district to pursue legal action against the student or the student's parent/guardian. (Education Code 48905)

(cf. 3515.4 - Recovery for Property Loss or Damage)

Notice Regarding Student Offenses Committed While Under School Jurisdiction

The Superintendent or designee shall inform the teacher of any student in his/her class who has engaged in, or is reasonably suspected of, any act during the previous three years which could constitute grounds for suspension or expulsion under Education Code 48900, with the exception of the possession or use of tobacco products. This information shall be based upon written district records or records received from a law enforcement agency. Teachers shall keep the information confidential. (Education Code 49079)

Notice Regarding Student Offenses Committed While Outside School Jurisdiction

When informed by the court that a minor student has committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Penal Code 290, assault or battery, larceny, vandalism or graffiti, the Superintendent or designee shall so inform the school principal. The principal shall keep this information in a separate confidential file and give it to the counselors who directly supervise or report on the student's behavior or progress. The principal also may inform any teacher or administrator he/she thinks may need the information so as to work with the student appropriately, avoid being needlessly vulnerable, or protect others from vulnerability. (Welfare and Institutions Code 827)

Any court-initiated information that a teacher, counselor or administrator receives shall be kept confidential and used only to rehabilitate the student and protect other students and staff. The information shall be further disseminated only when communication with the student, parent/guardian, law enforcement staff and probation officer is necessary to rehabilitate the student or to protect students and staff. (Welfare and Institutions Code 827)

When a student is removed from school as a result of his/her offense, the Superintendent shall hold the court's information in a separate confidential file until the student is returned to public school. If the student is returned to a different district, the Superintendent shall transmit the information provided by the student's parole or probation officer to the Superintendent of the new district of attendance. (Welfare and Institutions Code 827)

Any confidential file of court-initiated information shall be kept until the student becomes 18, graduates from high school, or is released from juvenile court jurisdiction, whichever occurs first; it shall then be destroyed. (Welfare and Institutions Code 827)

Procedures to Maintain Confidentiality of Student Offenses

In order to maintain confidentiality when providing information about student offenses to counselors and teachers of classes/programs to which a student is assigned, the principal or designee shall send the staff member a written notification requesting him/her to review a

student's file in the school office. This notification shall not name or otherwise identify the student. The staff member shall be asked to initial the notification and return it to the principal or designee.

The staff member shall also initial the student's file when reviewing it in the school office. Once the district has made a good faith effort to comply with the notification requirement of Education Code 49079 and Welfare and Institutions Code 827, an employee's failure to review the file may be construed as a waiver of the district's liability.

(cf. 5125 - Student Records)

(cf. 5145.1 - Privacy)

Use of Pepper Spray

Employees who possess pepper spray on school property shall be notified of the following conditions:

1. The pepper spray shall be used only in self-defense.
2. An employee who uses pepper spray other than in self-defense shall be subject to disciplinary action by the district and, in accordance with law, a fine and/or imprisonment.
3. The employee shall ensure that the pepper spray is stored in a secure place and not accessible to students or other individuals. An employee who is negligent in the storage of pepper spray may be subject to disciplinary action.

Employees wishing to carry pepper spray on school property or to a school-related activity shall submit to the Superintendent or designee a written request setting forth the need for the pepper spray. Should the Superintendent or designee determine that the employee may not carry pepper spray, the employee shall receive a written statement of the reason for this determination.

EMPLOYEE ASSISTANCE PROGRAMS

It is the purpose of this policy to provide an opportunity for all employees to obtain confidential assistance in resolving personal and/or work-related problems as the need arises. Further, while there is no intent to intrude upon employees' private lives, it is appropriate when there are indications of declining performance, attendance problems, or on-the-job behavioral problems, that supervisors consult with the Superintendent/principal or designee to explore the existence and resolution of such problems.

An employee may take sick leave at any time during the year, even if credit for sick leave has not yet been accrued. However, new employees shall not be entitled to more than six days of sick leave until they have completed six months of active service with the district. (Education Code [45191](#))

When available paid leave has been exhausted, the employee shall be so notified in writing and shall be offered an opportunity to request additional leave. (Education Code [45195](#))

An employee who does not complete a given year of service shall be charged for any unearned sick leave used as of the date of termination.

Unused days of sick leave shall be accumulated from year to year without limitation. (Education Code [45191](#))

At the beginning of each school year, employees shall be notified of the amount of sick leave they have accumulated.

A classified employee who leaves the district after at least one year of employment and accepts employment in another district or county office of education within one year shall have transferred with him/her the total amount of accumulated sick leave. This provision shall not apply to employees whose employment is terminated due to action initiated by the district for cause. The district shall not require new employees to waive their leave accumulated in a previous district. (Education Code [45202](#))

(cf. [4218](#) - Dismissal/Suspension/Disciplinary Action)

Sick leave may be used by a classified employee for:

1. Absences caused by accident or illness, whether or not the absence arises out of or in the course of employment, or by quarantine which results from contact during the performance of the employee's duties with other persons having a contagious disease (Education Code [45199](#))

2. Absences due to pregnancy, childbirth and recovery (Education Code [45193](#))
(cf. [4161.8/4261.8/4361.8](#) - Family Care and Medical Leave)
3. Cases of personal necessity (Education Code [45207](#))
(cf. [4161.2/4261.2/4361.2](#) - Personal Leaves)
4. Cases of industrial accidents or illnesses when leave granted specifically for that purpose has expired (Education Code [45192](#))
(cf. [4261.11](#) - Industrial Accident/Illness Leave)
5. Illness of the employee's child, parent, spouse, registered domestic partner or domestic partner's child, up to the amount of sick leave that would be accrued during six months (Labor Code [233](#))

An employee shall notify the district of his/her need to be absent as soon as such need is known, so that substitute services may be secured as necessary. This notification shall include an estimate of the expected duration of absence. If the absence becomes longer than estimated, the employee shall so notify the district. If the duration of absence becomes shorter than estimated, the employee shall notify the district by not later than 3 p.m. of the day preceding the day on which he/she intends to return to work. If failure to so notify the district results in a substitute being secured, the cost of the substitute shall be deducted from the employee's pay.

Sick Leave Beyond 12 Days

Each year, regular classified employees shall be credited with 100 working days of paid sick leave, including those current-year and accumulated days for which the employee is entitled to full pay. This paid sick leave shall be exclusive of any other paid leave, holidays, vacation or compensatory time to which the employee may be entitled. When the current-year and accumulated days at full pay are exhausted, the remainder of the 100 days shall be compensated at 50 percent of the employee's regular salary. Any such days of leave not used during the year in which they are credited shall be forfeited and shall not accumulate from year to year.

After a permanent employee who is absent because of nonindustrial accident or illness has exhausted all available sick leave, vacation, compensatory overtime and any other paid leave, he/she shall be so notified in writing and offered an opportunity to request additional leave. The Board may grant the employee additional leave, paid or unpaid, for a period not to exceed six months and may renew this leave for two additional six-month periods or for lesser periods. Total leave so granted shall not exceed 18 months. (Education Code [45195](#))

When a classified employee has exhausted all available leaves, paid or unpaid, and is still not able to resume his/her duties, the employee shall be placed on a reemployment list for a period of 39 months. If during this time the employee becomes able, he/she shall be reemployed in the first vacancy in the classification of his/her previous assignment. The employee's reemployment shall take preference over all other applicants except those laid off for lack of work or funds, in which case the employee shall be ranked according to his/her seniority. (Education Code [45195](#))

Verification Requirements

After any absence due to illness or injury, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The Superintendent or designee may, at any time, require additional written verification by the employee's physician or practitioner. Such verification shall be required whenever an employee's absence record shows chronic absenteeism or a pattern of absences immediately before or after weekends and/or holidays or whenever clear evidence indicates that an absence is not related to illness or injury.

The Superintendent or designee may require an employee to visit a physician selected by the district and at district expense in order to receive a report on the medical condition of the employee. The report shall include a statement as to the employee's need for further leave of absence and a prognosis as to when the employee will be able to return to work. If the report concludes that the employee's condition does not warrant continued absence, the Superintendent or designee, after giving notice to the employee, may deny further leave.

Before returning to work, an employee who has been absent for surgery, hospitalization or extended medical treatment may be asked to submit a letter from his/her physician stating that he/she is able to return and stipulating any recommended restrictions or limitations.

INDUSTRIAL ACCIDENT AND ILLNESS LEAVE

When a classified employee is absent from his/her duties because of an industrial accident or illness, the following rules apply:

1. Allowable leave for any single accident or illness shall be sixty (60) days in any one fiscal year.

2. Allowable leave shall not accumulate from year to year.
3. Industrial accident or illness leave shall start on the first day of absence.
4. Payment for wages lost on any day shall not, when added to an award granted the employee under the workers' compensation laws of this state, exceed the normal wage for the day.
5. Industrial accident or illness leave shall be reduced by one day for each day of authorized absence, regardless of a compensation award made under workers' compensation.
6. When an industrial accident or illness leave occurs at a time when the full sixty (60) days overlaps into the next fiscal year, the employee is entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury. Upon expiration of allowable leave for an industrial accident or illness leave, the employee shall use personal illness and injury leave as provided by Education Code Section 45191. If the employee continues to receive workers' compensation, he/she shall be entitled to use only as much of his/her accumulated or available sick leave, accumulated compensating time, vacation or other available leave as, when added to the employee's workers' compensation award, will provide for a full day's wage or salary.
7. When available paid leave has been exhausted, the employee shall be so notified in writing and shall be offered an opportunity to request additional leave.
8. When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of his/her position, the employee shall, if not placed in another position, be placed on a re-employment list for a period of thirty-nine (39) months. When available, during the thirty-nine (39) month period, the employee shall be employed in a vacant position in the class of the employee's previous assignment over all other available candidates except for a re-employment list established because of lack of work or lack of funds, in which case the employee shall be listed in accordance with appropriate seniority regulations.
9. During any paid leave of absence, the employee shall endorse to the district the workers' compensation checks received on account of his/her industrial accident or illness. In those cases, the district will issue appropriate salary warrants for payment of the employee's salary and shall deduct normal retirement and other authorized contributions.
10. Any employee receiving benefits under this section shall, during periods of injury or illness, remain within the State of California unless the Governing Board authorizes travel outside the state.

2. An accident involving the employee's person or property or the person or property of a member of the employee's immediate family (Education Code 44981, 45207)

The Superintendent or designee shall have final discretion as to whether a request reflects true personal necessity.

The employee shall request advance permission for personal necessity leave, except in urgent situations such as the death or serious illness of a member of the immediate family or an accident involving the employee's person or property or the person or property of a member of the immediate family.

After any absence due to personal necessity, the employee shall verify the absence by submitting a completed and signed district absence form to his/her immediate supervisor.

The employee shall turn over to the district any jury or witness fees received. (Education Code 44036)

Notices, summons and subpoenas for court appearances shall be submitted to the district office when requesting leave.

(Education Code 44987.3)

Religious Leave

The Superintendent or designee shall deduct the cost of a substitute, when required, from the wages of the employee who takes religious leave.

No employee shall be discriminated against for using this leave or any additional days of unpaid leave granted for religious observances at the discretion of the Superintendent or designee, as long as such leaves do not cause additional district expenditures, the neglect of assigned duties or any other unreasonable hardship on the district.

Discretionary Leave/Substitute Leave Credit

Every employee shall be allowed one (1) paid discretionary day each school year, and this day shall be counted as one (1) of the seven (7) days per year allowed for personal necessity leave.

In addition, employees who have accumulated substitute credit may consider this time as discretionary paid leave, up to a maximum of two days per school year, and this leave shall not be considered as part of the seven (7) days per year allowed for personal necessity leave. These day(s) must have prior approval by the Superintendent or designee, and may not be taken during the last week of school.

1. Request for personal leave shall be submitted on a district leave request form. Unless an emergency, the request must be submitted at least three (3) days in advance to the Superintendent or designee.

2. On rare occasions, the requests for leave may be of such a highly personal or private nature that the staff members should not be expected to divulge the reason for the request in writing. In such a circumstance, the request can be made in a private meeting with the Superintendent or designee, and the nature of the request will remain confidential.

FAMILY CARE AND MEDICAL LEAVE

The district shall not refuse to hire and shall not discharge, fine, suspend, expel or discriminate against any employee because he/she exercises the right to family care leave or because he/she gives information or testimony related to his/her or another person's family care leave in an inquiry related to family leave rights. (29 USC 2615; Government Code 12945.2)

Definitions

"Child" means a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis as long as the child is under 18 years of age or an adult dependent child. (29 USC 2611; Government Code 12945.2)

"Parent" means a biological, foster or adoptive parent, a stepparent, a legal guardian, or another person who stood in loco parentis to the employee when the employee was a child. (29 USC 2611; Government Code 12945.2)

"Instructional employee" means an employee whose principal function is to teach; instructional employees include athletic coaches, driving instructors, special education assistants and signers for the hearing impaired. The term does not include teacher assistants or aides, counselors, psychologists, curriculum specialists or other primarily noninstructional employees. (29 CFR 825.600)

"Serious health condition" means an illness, injury, impairment or physical or mental condition that involves either of the following: (29 USC 2611; Government Code 12945.2)

1. Inpatient care in a hospital, hospice or residential health care facility
2. Continuing treatment or continuing supervision by a health care provider

Eligibility

Any eligible employee who has served the district more than one continuous year shall be eligible to take unpaid family care and medical leave under the provisions of state and federal law. The district may deny family care and medical leave to part-time employees who worked fewer than 1,250 hours during the previous year. (29 USC 2611; Government Code 12945.2; 29 CFR 825.110; Code of Regulations, Title 2, Section 7297.0)

For eligibility purposes, full-time teachers are deemed to meet the 1,250 hour test. (29 CFR 825.110)

Family care and medical leave may be used for the following reasons: (29 USC 2612; Government Code 12945.2)

1. Because of the birth of the employee's child, and in order to care for the child
2. Because of the placement of a child with the employee for foster care or in connection with the employee's adoption of the child
3. In order to care for the employee's child, parent or spouse with a serious health condition
4. Because of the employee's own serious health condition which makes the employee unable to perform the functions of his/her job, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions

Requests, Advance Notice and Certification

The employee shall give the district at least 30 days' written advance notice of his/her need for family care and medical leave. If the employee learns of the need for this leave fewer than 30 days in advance, he/she shall provide such notice as soon as practicable. (29 USC 2612; Government Code 12945.2)

If leave is needed for a planned medical treatment or supervision, the employee shall make a reasonable effort to schedule the treatment or supervision to avoid disruption of district operations. This scheduling shall be subject to the health care provider's approval. (29 USC 2612; Government Code 12945.2)

When requesting family care and medical leave because of a serious health condition, the request shall be supported by a certification from the health care provider of the person requiring care. This certification shall include the following: (29 USC 2613; Government Code 12945.2; Code of Regulations, Title 2, Section 7297.0)

1. The date on which the serious health condition began
2. The probable duration of the condition
3. If the employee is requesting leave to care for a child, spouse or parent who has a serious health condition, the health care provider's certification of both of the following:

- a. Estimated amount of time the health care provider believes the employee needs to care for the child, parent or spouse
 - b. Statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the child, parent or spouse
4. If the employee is requesting leave because of his/her own serious health condition, the health care provider's certification that due to the serious health condition, the employee is unable to perform the functions of his/her job

The health care provider's certification need not identify the serious health condition involved. When the employee is requesting leave because of his/her own serious health condition, this information may be included at the employee's option. (Code of Regulations, Title 2, Section 7297.0)

If additional leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification as specified above. (29 USC 2613; Government Code 12945.2)

If the employee is requesting leave for intermittent treatment or is requesting leave on a reduced leave schedule for planned medical treatment, the certification must also state the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave. (29 USC 2613)

If the district has reason to doubt the validity of a certification that accompanies a request for leave, the district may challenge the certification and require the employee to obtain, at district expense, a second opinion from a district-approved health care practitioner. If the second opinion is contrary to the first, the district may require, again at district expense, that the employee obtain a third medical opinion from a third health care practitioner approved by both the employee and the district. (29 USC 2613; Government Code 12945.2)

Terms of Leave

Family care and medical leave shall not exceed 12 work weeks during any 12-month period. (29 USC 2612; Code of Regulations, Title 2, Section 7297.3)

This 12-month period shall coincide with the fiscal year.

Leave taken pursuant to the California Family Rights Act shall run concurrently with leave taken pursuant to the federal Family and Medical Leave Act (FMLA), except for any leave taken under the FMLA for disability on account of pregnancy, childbirth, or related medical conditions. In addition to family care and medical leave, an employee may be entitled to take pregnancy disability leave of up to four months. During the otherwise unpaid portion of pregnancy disability leave, the employee may use any accrued vacation, sick time or other paid leave. (Government Code 12945, 12945.2)

(cf. 4161/4261 - Leaves)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

Leave taken for the birth or placement of a child must be concluded within one year of the birth or placement of the child. Such leave does not have to be taken in one continuous period of time. The basic minimum duration of the leave shall be two weeks. However, the district shall grant a request for leave of less than two weeks' duration on any two occasions. (Code of Regulations, Title 2, Section 7297.3)

If both parents of a child work for the district, each parent may take up to 12 weeks of family care and medical leave related to the birth or placement of the child. (Government Code 12945.2)

During the period of family care and medical leave, the district shall require the employee to use his/her accrued vacation leave, other accrued time off, and any other paid or unpaid time off negotiated with the district. Accrued sick leave shall be used when the purpose of the family care and medical leave is one for which sick leave may be taken pursuant to collective bargaining agreements and/or Board policy. (Government Code 12945.2)

(cf. 4141/4241 - Collective Bargaining Agreement)

Instructional Employees: Leaves Near the End of the Term

The district may require an instructional employee to continue taking a requested leave until the end of the term in any of the following situations: (29 USC 2618)

1. If the instructional employee begins a leave of three or more weeks' duration more than five weeks before the end of a term and would subsequently return to work during the last three weeks of the term
2. If the instructional employee, for reasons other than his/her own serious health condition, begins a leave of more than two weeks' duration during the period that begins five weeks before the end of the term and would subsequently return to work during the last two weeks of the term
3. If the instructional employee, for reasons other than his/her own serious health condition, begins a leave of more than five days' duration during the period that begins three weeks before the end of the term

Intermittent/Reduced Work Schedule Leave

Leave related to the serious health condition of the employee or his/her child, parent or spouse may be taken intermittently or on a reduced work schedule when medically necessary. In such a case, the district may limit leave increments to the shortest period of time that the payroll system uses to account for absences or use of leave. The employee may also be required to transfer temporarily to a different job that has the equivalent pay and benefits but could better accommodate recurring periods of leave. The employee must be qualified for the position, but the position does not need to have equivalent duties. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced work schedule. (Code of Regulations, Title 2, Section 7297.3)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Maintenance of Benefits

During the period of family care and medical leave, the employee shall continue to be entitled to participate in the district's medical, dental and vision plan. (29 U.S.C 2614; Government Code 12945.2)

If the employee fails to return from leave after the leave period has expired for a reason other than the continuation, recurrence or onset of a serious health condition or other circumstances beyond the employee's control, the employee may be required to reimburse any health premiums paid by the district during the period of leave. (Government Code 12945.2)

The employee shall also continue to be entitled to participate in life, disability and accident insurance plans, pension and retirement plans, supplemental unemployment benefit plans, and/or any other employee welfare benefit plan to the same extent and under the same conditions as apply to an unpaid leave taken for any other purpose. In the absence of these conditions, the employee shall continue to be entitled to participate in these plans and the district may, at its discretion, require the employee to pay the premium for periods not covered by accrued leave. (Government Code 12945.2)

Maintenance of Status

The employee shall retain his/her employee status with the district during the leave period, and the leave shall not constitute a break in service for purposes of longevity or seniority under any employee benefit plan or collective bargaining agreement. For purposes of layoff, recall, promotion, job assignment and seniority-related benefits such as vacation, the employee returning from family care and medical leave shall return with no less seniority than he/she had when the leave began. (29 USC 2614; Government Code 12945.2)

Reinstatement

Upon granting an employee's request for family care and medical leave, the district shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (29 USC 2614; Government Code 12945.2)

The district may refuse to reinstate an employee returning from leave to the same or a comparable position if all of the following apply: (29 USC 2614, Government Code 12945.2)

1. The employee is a salaried "key employee" who is among the highest paid 10 percent of those district employees who are employed within 75 miles of the employee's worksite
2. The refusal is necessary to prevent substantial and grievous economic injury to district operations
3. The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service

An employee who takes leave has no greater right to reinstatement than if he/she had been continuously employed during the leave period. If the district reduces its work force during the leave period and the employee is laid off for legitimate reasons at that time, he/she is not entitled to reinstatement, provided the district has no continuing obligations under a collective bargaining agreement or otherwise. (29 CFR 825.216)

(cf. 4117.3 - Personnel Reduction)
(cf. 4217.3 - Layoff/Rehire)

Notifications

In accordance with law, the district shall notify employees of their right to request family care and medical leave. Separate notices about federal and state law related to family care and medical leave shall be posted in a conspicuous place. 6. Sections of a film may be excerpted from a local videotape (not to be shown over cable) if they do not exceed ten percent of the total or excerpt the essence of the work. District Superintendent

RE: Asbestos Hazard Emergency Response Act (AHERA)

In 1986 Congress passed the Asbestos Hazard Emergency Response Act (AHERA). The law requires all schools, kindergarten through twelfth grade, to be inspected by EPA accredited inspectors to identify any asbestos containing building materials. The law further requires the development of a management plan by an EPA accredited management planner based upon the findings of the inspection which outlines our intent in controlling the potential for exposure to asbestos fibers in our schools.

In the past, asbestos was used extensively in building materials because of its insulating and fire retarding capabilities. Virtually any building built before the late 1970's contains at least some asbestos in pipe insulation, structural fireproofing, etc. The primary concern arises when these materials begin to deteriorate or become damaged.

Inspections and reinspections have occurred as required by statutes. During the remodeling projects, all asbestos in classrooms, offices, and other service areas has been abated. Minimal amounts of asbestos containing materials remain in a few areas not readily assessable to building occupants or students.

A management plan has been submitted to the state. It outlines in detail the methods we have used to abate or maintain the materials in a safe manner. The school's self insurance program, Self Insured School of California (SISC) **HAS EMPLOYED STAFF WHO ARE EPA** accredited personnel, and they have guided us through the abatement process.

A copy of the management plan for both the Santa Ynez Valley Union High School and Refugio High School is on file for your review at the school administrative office at 2975 East Highway 246, Santa Ynez.

If you wish to inspect the management plan, or have questions concerning AHERA, please do not hesitate to contact me or Mrs. Nicole Evenson, Business Manager, at 686-3561 for an appointment.

BUSINESS OFFICE

COLLECTION OF FUNDS FROM STUDENTS

The usual procedure for students paying for lost or damaged books, equipment, or uniforms is for the teacher or coach to turn in a textbook card listing the book and its replacement cost or a list of the equipment or uniform with replacement cost to the **STUDENT SERVICES OFFICES**. Students' names will be placed on the Obligation List each week and will be ineligible to participate in various school activities until the obligation is cleared.

The students who need to pay for these obligations and for larger projects or materials for a lab class should be sent to the **BUSINESS SERVICES OFFICE** to pay for these items. **Students should be informed that the hours to pay obligations are only before school, during nutrition, or during lunch.** Students will be issued a receipt to verify payment with their teacher or coach. If teachers require students to purchase athletic items, art supplies, or like items of a small cost, and that teacher will be collecting the money from the students, the teacher must obtain a receipt book from the Business Services Office. Receipts are to be written for each student. **** NOTE: YOU MAY NOT CHARGE A STUDENT A FEE OF ANY KIND THAT IS NOT SPECIFICALLY AUTHORIZED BY LAW (CCR TITLE 5, ARTICLE 3, SECTION 350); PLEASE CONTACT THE BUSINESS OFFICE FIRST FOR GUIDANCE ON PERMISSIBLE FEES **** *By 2:15pm each day, all receipts and monies (including a completed deposit form) are to be deposited with Susan Gode or Cindy Luke in the Business Services Office.* The teacher will be issued a receipt that matches the total of the sub receipts submitted with the funds. (Per California Schools Accounting Manual.) These receipts must be turned in no later than 2:15 p.m.

Please note, there is no cash back on checks (parent/student or employee). The Business Office only has a limited amount of cash, and therefore, cannot honor requests to make change either.

THE BUSINESS OFFICE ONLY TAKES PAYMENTS, FORMS, INFORMATION, ETC. FROM STUDENTS BEFORE SCHOOL, AFTER SCHOOL, AND DURING BREAK AND NUTRITION. BUSINESS OFFICE STAFF IS UNAVAILABLE TO SERVE STUDENTS DURING CLASSTIME.

If you have any questions concerning these procedures, please get clarification before proceeding.

BUSINESS OFFICE

REPORTING STUDENT ACCIDENTS

All student accidents (on-site or off-site, including Athletics) must be reported to the Business Office within 24 hours of occurrence utilizing the REPORT OF STUDENT ACCIDENT ON SCHOOL PREMISES/OR INVOLVING A SCHOOL RELATED ACTIVITY form. This form will initiate the preparation of an insurance claim through the District if requested by the parent(s)/guardian(s).

If a claim is generated for a student accident, the District's insurance carrier (SISC) is secondary to any other insurance which provide medical benefits to the student, including Healthy Families. SISC is primary to Medi-Cal and Tricare. SISC becomes primary if there is no other insurance coverage. In all cases, SISC will only provide up to \$2,500 towards accident coverage per incident.

Student accident coverage is separate from SISC Tackle Football insurance. The SISC Tackle Football insurance is fee-based program that provides additional benefits for football players. SISC Tackle Football insurance is mandatory if the football player has no other medical insurance coverage.

BUSINESS OFFICE

COPYING AND SUPPLY COSTS

Departmental budgets will be charged for copying at .020 cents per copy. The Staff Service Technician will provide the Business Office with the number of copies each quarter and a “journal entry” form will be processed charging your department budget. The information will be provided to your department lead teacher.

Your department budget will be charged for supplies requested by department members. The Staff Service Technician will provide the Business Office with the number of purchases each month and a journal entry form will be processed charging your department budget. The information will be provided to your department lead teacher.

If you need special items ordered through the Staff Services Office, your department will be billed directly when the invoice is paid.

If you are copying or purchasing supplies and you are a club advisor or a coach, please be sure to note which activity or class should be charged. Sometimes when students are sent, they only use the teacher’s name, and that can create extra work and confusion when billing.

BUSINESS OFFICE

MORE ON WORK RELATED ACCIDENTS

Special Mission Rule

The special mission rule provides workers' compensation benefits to employees while performing a special mission for the employer. The special mission includes any activity which is implied or expressly required by, or is a reasonable expectancy of, employment.

Employees are also reminded that if they suffer an injury that could be possibly covered by another entity such as falling in a restaurant, hotel, or airport, they should make sure the incident is reported to that entity immediately.

Workers' Compensation Insurance rates are a percent of our payroll. If expenses for claims are shared by responsible third party entities, it keeps the rates down for all the schools insured in our joint powers agreement.

BUSINESS OFFICE

ANTHEM BLUE CROSS HEALTH AND DELTA DENTAL INSURANCE

Certificated and classified employees are eligible for health and dental insurance benefits as outlined in their collective bargaining agreements. This includes district paid premiums for employees and their dependents as outlined in the coverage booklets. Employees who work more than 50%, but less than full time, may receive reduced benefits as outlined in their bargaining agreements. Every employee and spouse should have an Anthem Blue Cross Medical/Prescription Drug Plan card (SISC III). You will not automatically receive a card for Delta Dental, but you may personally obtain one by accessing www.deltadentalca.org.

Changes in status in Anthem Blue Cross/Delta Dental enrollees are to be reported as soon as an event occurs. This would include birth or adoption of a child, marriage, death, dependents no longer eligible, change of name or address. Assembly Bill 2208 effective January 1, 2005, requires verification of marital status/domestic partnership. If an employee enrolls a spouse or domestic partner on their health insurance after January 1, 2005, a copy of the Certificate of Marriage or Declaration of Domestic Partnership that was filed with the California Secretary of State must be attached to the Anthem Blue Cross enrollment form. Enrollment of a spouse or domestic partner will not be processed until a copy of the appropriate document is submitted. For birth of a child or addition of a dependent, supporting documentation will be required, such as birth certificate, adoption papers, or a copy of the Social Security card.

The district also has a PCS Mail Service Program that offers maintenance medications at a reduced cost. All forms and additional information are available in the Business Services Office.

Employees may elect to purchase a Cancer Medical Reimbursement Plan at their own cost. Please see Cindy Luke in the Business Services Office for further information.

BUSINESS OFFICE

PAYROLL INFORMATION

Time sheets for salaried classified employees are due the last working day of each month. They are to be filled out completely and signed by you and your supervisor before submitting them to Cindy Luke in the Business Services Office.

Hourly time sheets are due the 15th of each month and are to be submitted to Cindy Luke in the Business Services Office. All additional, or “extra” work, must be pre-approved before work is completed.

Separate hourly time sheets are needed for any overtime that your supervisor requests you to work. There is a “Supervisor’s Request for Overtime” form that must be completed by the supervisor and submitted to the District Office for approval prior to working the overtime. After it is approved, a copy will be returned along with an overtime hourly time sheet to the supervisor who requested the overtime. After working the overtime, the hourly time sheet should be submitted to Cindy Luke in the Business Services Office. (*Overtime should not be recorded on your regular monthly time sheet*).

Changes in voluntary deductions (*i.e.* CTA membership dues, Santa Barbara Teachers Federal Credit Union deductions, change of address, phone number, and deductions for State and Federal taxes) are due the 15th of the month and are to be submitted to Cindy Luke in the Business Services Office.

All TSA (Tax Sheltered Annuities) are managed by Envoy Plan Services. They can be contacted at: 901 Calle Amanecer, Suite 200, San Clemente, CA 92673
Phone (949) 366-5070, Toll Free (800) 248-8858, Fax (877) 513-2272

All new TSA (tax sheltered annuity) deductions or changes in existing TSAs must be accompanied by a Salary Reduction Agreement completed by the employee. This is necessary to comply with IRS regulations. If you select a TSA vendor that does not have a signed Hold Harmless Agreement on file with the district, it will be necessary to obtain a signed agreement before deductions can begin. Envoy will be unable to process any new request without it. This is required by Santa Barbara County Counsel for all school districts in Santa Barbara County. Any changes in TSA agreements must be received by Envoy Plan Services no later than the last business day of the month to become effective on the next month’s payroll.

Paydays for all employees will be the last working day of each month, with the exception of certificated employees who will receive their December pay warrant the first working day of January. If you wish more information about this exception, please ask Cindy Luke for the information concerning the split payroll prepared by the School Business Advisory Services of Santa Barbara County Office of Education.

A Summer Savings program is available for those 10 month employees who wish to have a portion of their paycheck set aside monthly by the county office in order to receive paychecks in July and August. Please see Cindy Luke for the necessary form.

If you wish to have your pay warrant deposited directly to your bank account, please see Cindy Luke for the necessary form.
